

## Marist High School Peer Observation

Observer: \_\_\_\_\_

Observed: \_\_\_\_\_

Date of Observation: \_\_\_\_\_

Answer ONE of the following in a few sentences in the space provided:

1. What techniques were used that you found particularly effective, were new to you and/or you might implement in your classroom?
2. Have you ever taught this topic (or a similar one) with a different technique? What are the pros and cons of each technique?
3. What classroom management techniques were employed? Have you faced a similar situation and used a different technique?
4. Any other suggestions or comments?
