

Welcome New Students!

Freshmen and Transfer Orientation day was September 6th this year. Incoming students played games, got to know each other and met their new teachers. Freshman Alice Rear said, "It was really fun!" Welcome Class of 2010 to the Marist family!

Fred Lorish-
Japanese

Tyson Pratt-
Spanish 1, 2

Andy Richards-
Math, Geometry & Trigonometry

Incoming freshmen show their school spirit at Freshmen Activity Day last Thursday as they get drenched while singing the Marist fight song.

SINGIN' IN THE RAIN

By: Megan Humphreys

Another year at Marist begins with freshman initiation, family groups, and a pep rally. Activity day started with the students going to their first family groups for the year, where they played riveting games of bunko. From there, students headed over to the gym to watch the dance team and to introduce the fall athletes. Then it was time for the freshman to head out to the field to undergo the first stage of their initiation. Freshman Bria Tendick came from

O'Hara, and she had never done anything like this. "I am a little nervous, but I know it will be fun." The freshmen had to go through such stations as "Singing in the Rain" where they had to sing the fight song while being drenched by teachers equipped with hoses. They also did balloon toss, hula hoop, and carrying a marble in a spoon. "It wasn't as bad as I thought it would be" a relieved Tendick said, "I thought we would be doing something much more embarrassing." The freshmen kiss the 'M' next week, and then they will be official students of Marist High School.

What to Do When You Enter the Marist Madhouse

How To Cheer at the Football Games

By Sarah Hatten
-BRING the noise!
-Leave your sissy faces at home.
-Get excited! Be pumped up for your team
-Don't you DARE sit down!
-Dress in Spartan clothing and colors ALWAYS!
-Standing in the back does not free you

of your obligation to cheer for your team!
-Stomp, scream, and yell! You should be voiceless by the end of the night!
-If your friend's are not cheering, they are not your friends!
-You will never under any circumstances allow the parent section to out spirit you!
GO MAD!

Hula Madness

Whoever said only freshmen were allowed to have fun at activity day has obviously never talked to Mr. Nuxoll.

Marist Has New Classified Section

By: Bobby Selner

Students can now place ads in the paper for articles they want to buy, sell or trade. Anything can be sold in this section: bikes, books, TV's, cars, mp3's, and anything of the sort -except for homework of course. There will be forms at the front office counter for you to fill out. There is a 25 cent fee for placing an ad; profits will go to the newspaper. We invite you to take advantage of this part of the newspaper because "one mans trash, is another mans treasure."

Meet the 2006-07 Marist ASB Leaders

Kevin Gehrig-
President

Kelly Meyers-
Vice President

Sarah Hatten-
