Dear Parents:

I hope that you had an enjoyable summer. I am very excited about the school year that is about to begin. Marist Catholic High School has new construction taking place with the renovation of three classrooms to make room for the largest student population (555) since 1999. Classroom space will continue to be our major challenge. Marist Catholic High School is an incredible learning community and I know that by working together, great things will continue to happen here.

This year, Northwest Schools and Colleges will be participating in an accreditation visit. Our last accreditation was in 1995. Accreditation is a self study of a school’s policies, procedures, philosophy, and mission. A committee of 6-8

Along with campus renovations this summer, the Marist newsletter went through a complete graphic and delivery redesign. The newsletter is now called The Marist Newsline. You will receive the Newsline electronically as a PDF document. This saves significant postage costs for the school while giving you the option of reading the Newsline on your computer or printing it.

The PDF format allows us to create live "links" as on a web page. Click on any blue underlined text and it will take you to the page you want. Some links will take you to the Marist website or maybe another site we want you to check out. We can also include audio and video for you to watch and listen. Those sign-up forms for sports or other Marist events we used to mail to you will now arrive in the Newsline. You can fill out the form online and send us your information with a click of your mouse. We hope you enjoy the new interactive format.

This first issue of Newsline for the 2006-2007 school year was sent to you using the email address you provided to Marist on your student’s “blue form.” To change your Newsline subscription status, go to www.Marisths.org/newslinesubscriber.htm.

To submit an article for publication, see page 10 for details.

We hope the Newsline helps us better communicate with you about Marist Catholic High School.

Our Mission Statement:
As a Catholic, college preparatory high school, WE ARE ONE as a community of believers tied together in the love of Jesus Christ on a journey of faith.

We covenant together to develop disciplined students who are academically prepared, morally strong and socially aware to impact the world as responsible Christian leaders and witnesses.

The Year Ahead for Campus Ministry
by Rick Martin

Retreat News

Retreats take place for all grade levels during the course of the school year. Specific dates for these retreats can be obtained through the Marist website on the school year calendar, or through the Campus Ministry Office. As many who have been here for a while know, retreats are one of the best things we do at Marist. If you have never been on a retreat, give it a shot this year – there is nothing to lose, and plenty to gain. Freshman students will get a taste of retreat life through the Lock-In scheduled at the end of September – an all-night event filled with games, activity, discussion, fun and food. More on that later…

Liturgies News

In addition to our regular schedule of all-school masses and prayer services, we will have Daily Mass available for students and staff on Tuesday through Friday, time tba. These masses will take place in the chapel. Students are encouraged to come pray daily or for special occasions. Does a friend need a special prayer? Are you in special need of God’s grace? Are you celebrating a birthday? These are but a few of many good reasons to join together in prayer at the midday.

Parents are welcome to join us for Mass if you are able. Our first Mass this year is the Mass of the Holy Spirit, celebrating the beginning of our school year at the end of our first week back.

Service News

We remind families that all Marist graduates are required to complete a minimum of 65 hours of community service on behalf of those in special need. The Christian Service Experience (CSE) is intended to provide an opportunity to respond to the call of Christ to clothe, feed, comfort, teach and help the “least of my brothers and sisters” (Matthew 25:31-46). This fundamental tenet of the Church has been repeated throughout its long history through teachings and documents, and emphasizes the particular obligation of all Chris-

“Campus Ministry” Page 15
Although “high stakes tests” like the SAT and ACT are not, in my opinion, a great assessment of a student’s ability, we are stuck with them in the college admission process for the most part. There are several things that are very important to remember when looking at Marist student test scores and those from other high schools. The most important is that at Marist, virtually every student takes either the SAT or the ACT test. At our public counterparts, only those who are college bound take the tests. In other words, comparing test scores compares all students at Marist with a selective lower percentage from the public school. If Marist only accepted students with very high middle school GPAs and 85% and above Placement Test scores, then we certainly should have higher standardized test scores, but that is not the case. We have students at every level who did not showcase their talents well on their Placement Test scores, but are working hard in college preparatory courses and scoring above State averages on ACT and SAT tests.

In recently published data, Marist students scored higher than comparable State of Oregon students in every category (English, Mathematics, Reading, Science, and on a Composite score). Look at the table below for our history for the last five years:

While students will pursue a variety of paths after high school, all Marist students will be prepared for college and work. Through collaborative research with postsecondary institutions nationwide, ACT has established the following as college readiness benchmarks for designated college courses:

• English Composition: 18 on ACT English test;
• Algebra: 22 on ACT math Test;
• Social Science: 21 on ACT Reading Test.

A benchmark score is the minimum score needed on an ACT subject-area test to indicate a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in the corresponding credit-bearing college courses.

Because the test changes every year, norms will change, but the consistency of higher scores earned by Marist students is confirmation that they are receiving excellent college preparation.

Naviance comes to Marist

Naviance is a web-based service designed especially for students and parents to help in making decisions about courses, colleges, and careers. Family Connection is linked with Counselor’s Office, a service that we will use to track and analyze data about college and career plans providing up-to-date information that is specific to Marist. Soon you will be receiving your own pathway into the system. Each student (beginning with Seniors) will be trained on Naviance and this program’s use to them.

We hope you will find this resource helpful. Look for information in the near future.

Cindy Roelofs is Marist Catholic High School’s Vice Principal and Director of Student Academics
All Marist Teachers Get Laptops

Principal Perry Martin and Network Administrator Chris Fudge announced this summer that all Marist teachers will be issued high-end HP laptop computers at the start of this school year. Martin stated that “Laptops for all of our teachers will ensure that they will have at their disposal a greater range of resources to enable them to continue to improve their lesson planning and preparation, classroom management, administration, and communication with other teachers, administrators and parents.”

This has been one of the long-term goals of the Marist Information Technology Department. In addition to the laptops, Fudge and his student helpers have been busy this summer pulling over 3,000 feet of video cable throughout the campus buildings. Other work included:

- Memory upgrades to the student computers in Tech Lab C.
- Completion of a second video editing lab. Marist students now have use of a total of ten PC’s dedicated to video editing.
- Three campus-wide wireless networks are now live. One of these is free for student use without need of a login or password.
- Installation of high-definition projectors in all classrooms.

Visitors to Marist’s website at www.Marisths.org will now find a new and easier way to keep track of news, events and sports updates such as rainouts and schedule changes. An RSS (Really Simple Syndication) feed from the Marist website is now available to which visitors can subscribe for free. Using a newsreader, updates from Marist are automatically sent to a subscriber’s computer rather than having to revisit the Marist homepage or sports pages to check for updates. Details about how to subscribe and what RSS is can be found at www.Marisths.org/rssmarist.htm or by clicking on the RSS icon found on Marist website pages.

New Dance Team Members

Congratulations to the new members of the 2006 Passion Dance team! The team attended Thunderbird dance camp at the U of P in July and came home with lots of awards! Don’t forget to purchase your “Kick-off” balloons and 50/50 tickets at the Marist Football games! Also, visit the Dance Team Website for updates on their activities.

Parent/Student Feedback Sought

Marist Catholic High School is scheduled for an accreditation review during school year 2006-07. A team of educators chosen by the Northwest Association of Schools and of Colleges and Universities (NASCU) will visit Marist for two or three days in early May, 2007. The Catholic Archdiocese of Portland in Oregon requires all of its schools to be fully accredited.

When asked why does Marist go through the accreditation process, Marist history teacher and accreditation coordinator Jerry Ragan stated four specific reasons why it’s important to achieve accreditation:

1. To enhance spiritual and academic excellence and encourage school improvement by pointing out areas of strength and improvement.
2. To organize curricular and program offerings to be in clear line with our mission statement.
3. Accreditation assures the general public of the quality of the educational program.
4. Any future voucher system will most likely affect only accredited schools.

Marist parents and students play an important role in this process. They are being asked to complete an online survey by September 23rd. Ragan said that “The data made available through these surveys will provide vital information about the current status of the school and the goals we will set for the future.”

The user-friendly online survey can be accessed through the Marist website at www.Marisths.org. It is similar to the online athletic surveys that parents and students have completed in the past.

MOAP Plans New Adventures

The Marist Outdoor Adventure Program (MOAP), as outdoor enthusiasts call us, hopes you and your family had an enjoyable and restful summer and we welcome you back to Marist! You and your family are invited to join us on our outdoor adventures throughout the school year.

From hikes into our nearby forests to crabbing at the coast, if you enjoy the outdoor beauty of Oregon as well as having good fun with other members of the Marist community, you’ll want to join us this school year, either as a veteran MOAP member or as a new adventurer.

We will be having an informational meeting for all students after the dust settles from everyone getting accustomed to their new schedules. Please watch for announcements on meetings and times and get ready to enjoy the outdoors with your Marist community.

Any questions, please contact Jeff Dreiling via email jdreiling@marisths.org or call 686-2234.

Class of 2007 Parents

Your help is needed with the concession stand during football and volleyball season. This is the only fundraiser done to support the Grad Party. The Marist Spartan Club needs people willing to do set-up, work during the game and clean-up. If you can help us out, email Stacey Krivchuk at sandchuk@comcast.net.

There is still time to help with the planning of the Grad Party. Don’t wait to be called—volunteer your time and talent today!
An Urgent Reminder About Safe Driving on Campus

With the start of a new school year we want to remind you about past incidents where students have come close to being hit by parents during the early morning drop-off period, as well as at pick-up in the afternoon, or by Marist staff trying to get into the Staff Only parking area. Please heed the student loading/unloading policy: When approaching the front of the school (see the map below), cars must pull up by the Bob Devereaux Theatre entrance to drop off and pick up your student (green “Unload/Pickup Zone” on the map). This allows the free flow of traffic onto our campus as well as preventing bottlenecks at the turnoff for the Staff Only parking area.

Thank you for your attention to this important safety matter.

Welcome back! We’re geared up and ready for a new school year. On behalf of the Marist Foundation, we welcome all new and returning students back for a prosperous and exciting new year within our Marist Community. We look forward to working with you on all upcoming events and socials:

2006-2007 Foundation Calendar

Annual Appeal: October 1st is the kick-off for this annual drive for donations that will go to benefit the scholarship and tuition assistance programs.

All Souls Day Remembrance: Beginning November 1st, we have a book in the chapel that lists the names from our Memoriam section in our Shield Newsletters during the past year, plus any additional names sent into us. This book is on display during the month of November in honor and remembrance of those in our Marist community who have passed away.

Scholarship Program: Application packets will be available at the annual Marist Preview Day on January 6, 2007 and due back March 1, 2007.

Hall of Fame Celebration: On January 17, 2007, we will honor inductees into the Marist Foundation Hall of Fame that have donated, volunteered and supported us through the years. We also thank outgoing Board Members and formally introduce our auction chairs.

The 36th Annual Wonderful World of Auction: May 12, 2007—Please be sure that you mark your calendars now to be a part of this wonderful tradition and best party in town! This event is only successful because of the work of its many volunteers! The proceeds from this event help support our tuition assistance and scholarship program.

Please read our monthly Shield newsletter for more information. Also, check out our website at: Maristfoundation.org for information & forms for address updates & Annual Appeal donations.

Feel free to stop by our office and meet us – Jerry Macke ’66, Executive Director and Ellen Brown, Event & Alumni Coordinator. We’re right in front of the football stadium!

GO SPARTANS!

How to Get Published

The Marist Newsline is published monthly from September through June. Newsline articles, announcements and advertisements are due on the 1st of each month for next month’s publication. (An event you are publicizing that will take place in November must be submitted by October 1.)

No printed copies at all, please. Items for simple text publication must be typed as a Word (DOC) file or saved as an RTF file. (If you need help with RTF’s please contact Tony Huck at 686-2234 Ext. 2501.)

Photographs or other graphics to be used with your article should be submitted as a JPEG, EPS, PNG or GIF file. Include a description of each photograph: “Who,” “What,” “When,” and “Where.”

Submit articles via:

• Email your article to thuck@marisths.org with the word “Newsline” in the Subject header.
• Diskette
• CD
• “Jump” or “Thumb” drive
• The campus Teacher’s Network in the shared “Marist Newsline” drive.

people will visit our school during the week of May 8th. I hope you find the time to participate through the different surveys we will be sending you.

After a very successful financial year in 2005-2006, Marist will be adding a new Development Director to its staff. Her name is Maureen Murphy. Maureen has been an important part of the Oregon State Football Administration (we won’t hold that against her) as well as working for the San Diego Chargers. She brings a wealth of experience in fund raising as well as special events planning and development. She will work to support and improve the efforts made last year to sustain the school through other income avenues outside of tuition. Marist Catholic High School raised over $272,000 last year to overcome past year’s deficits. Thank you to all who gave generously to Marist High School. Please find the time to welcome Maureen. We have planned a wonderful year ahead, one that will build on each student’s strengths to ensure their success. I’m looking forward to seeing each and every one of you. It is my hope that this letter will encourage you to become highly involved with your child’s education this year. Getting involved, as a volunteer, will allow you to see “first hand” what makes Marist Catholic High School such a special place. Terrie Clemens is the Marist Volunteer Coordinator and will help you find the right place and time to get involved. Please call her to get additional information on how to become an involved parent. Her extension is 1515.

The summer months have allowed me to improve our facility, hire new staff and renew my commitment to our wonderful Catholic school. I will do everything possible to make your year at Marist a memorable one.

The job of Catholic School Principal is a very unique role and is very broad. Should you need to meet with me, please call my Administrative Assistant, Nancy Gryziec, for an appointment. I am always most happy to meet with you.

The table at the bottom of this page lists important staff dedicated to answering your questions throughout the school year.

Helpful People To Know:

Perry Martin: Perry is the Principal and oversees all Marist programs.

Cindy Roelofs: Cindy is the Vice Principal and oversees the Marist academic program as it pertains to students. She manages curriculum, scheduling, accreditation, testing, and all

---

One of the new benches at the front entrance.
other academic processes for students.

**Stacey Baker:** Stacey is Dean of Students and will work hard to develop a positive and healthy student culture.

**Shari Pimental:** Shari is the Freshman/Sophomore Counselor and Director of Student Activities. She will be developing co-curricular activities for students.

**Johnnie Mullin:** Johnnie teaches computer education and is the chair of the Marist Academic Council.

**Maureen Murphy:** Maureen is the Marist Development Director and can answer all your questions regarding charitable contributions to Marist Catholic High School, in-kind giving, and special development activities throughout the year.

**Dan and Cass Weiland:** Dan and Cass will share the duties of Business Managers. They will oversee the financial development of Marist Catholic High School. Both will work hard developing strong policies for collecting tuition, managing and growing assets, and developing new sources of income.

Our vision is clear. Catholic schools are a vital part of the teaching mission of the church. The challenges ahead are many, but our spirit and will to succeed are strong. Adversity brings out the best in men and women. We must respond to challenging times with faith, vision, and the will to succeed.

As the summer comes to a close, I welcome you to a great school year. Enjoy the rest of your summer. I look forward to seeing you on campus!

Faithfully,

*Perry Martin*

---

For this year’s freshman students, we are implementing a new program of service requirement. While it will contain many of the key components of the previous program, it will introduce some new elements which will deepen the service learning experience. More on this in future publications.

**2006-2007 Campus Ministry Staff**

Mr. Rick Martin, Director of Campus Ministry;
Mr. Bill Hendricks, Service Coordinator;
Mrs. Julie Ferrari, Campus Minister;
Mrs. Terrie Clemens, Assistant.

---

*Campus Ministry*  
Continued from page 3

The service projects should take place between the end of the students’ sophomore year and mid-May of their senior year. This is a requirement for graduation.

Any juniors or seniors who have completed service work over the summer should do the following:

- Purchase a Christian Service Experience Manual from the Bookstore if you do not already have one.
- Bring in your Agreement Form if you have not yet done so.
- Bring your journal in for a check if you have reached the 15, 30, 45, or 65 hour journal point.

Failure to follow these scheduled checkpoints may result in loss of credit. See Mr. Hendricks if you have questions!
