This guide is a quick reference with helpful hints for all incoming parents. This guide is listed chronologically as to the various experiences students and parents/guardians encounter as the first school year progresses from the summer through the end of spring. There are a number of other experiences that you will go through that might not be listed in this guide, but hopefully this guide will help you so you can help your student. A Marist staff member's name is listed at the end of certain topic areas. The listed staff person generally takes care of that area. If you have any questions about that area, please contact that person.

## QUESTIONS

If you did not find a topic area in this guide, please visit our website ([www.marisths.org](http://www.marisths.org)). If you need further assistance, please call the Marist office at 541-686-2234. The office staff will be glad to assist you and your student.

## PEOPLE TO KNOW

The [www.marisths.org](http://www.marisths.org) website and link "Contact Us" lists all staff members, their general responsibilities, and contact information. The most efficient method of contacting Marist staff is through email.

## MAIN PHONE LINES

Academic Resource Center	(541) 686-2234 ext. 2501
Admissions	(541) 681-5464
Athletics & Activities Secretary	(541) 686-2234
Attendance	(541) 681-5485
<i>The main office will not process attendance calls or questions. We do not accept attendance excuses via email.</i>	
Business Office	(541) 485-7879
Business Office Fax	(541) 681-5498
Campus Ministry	(541) 686-2234 ext. 1525
Campus Security / Parking / Facility Use & Rental	(541) 686-2234 ext. 1110
Communications / Marketing / Public Relations	(541) 681-5496
Counseling Department	(541) 686-2234
Development / Advancement	(541) 681-5470
Facilities / Maintenance	(541) 686-2234 ext. 1507
IT Department	(541) 686-2234 ext. 2502

Yearbook	(541) 686-2234 ext. 1318

## STUDENT HANDBOOK

The Student Handbook is online at [www.marisths.org](http://www.marisths.org). You will need to review it with your student. After reading and understanding the handbook you will need to fill out and return the 1/2 sheet "verification" form. The verification form can be found in the "Back to School" packet you received mid-summer.

## BACK TO SCHOOL PACKET

This packet is mailed to you mid-summer. It contains important information and all the forms that need to be filled out and returned to school. Within the packet there is a checklist and due dates for each form.

## TEXTBOOKS

Marist families are required to purchase books for their student(s). To help facilitate this process, we contract with an

outside bookstore called ESCO. Families will need to access the ESCO bookstore ([mhs.escobooks.com](http://mhs.escobooks.com)) in order to create a booklist. The ESCO bookstore will open on July 1, 2014. Students are expected to have their books the first day of school. For those who have time to look for deals, you can cut your costs by using other popular textbook selling websites or stores but remember that you most likely have to find a way to sell your books. Just be sure to confirm ISBN numbers so that you have the correct version (volume/edition) of the book. You may also look to an older student who might be selling books and then you might consider looking for younger incoming students who would be interested in buying your books at the end of the year. – Mrs. Stacey Baker ([sbaker@marisths.org](mailto:sbaker@marisths.org))

## **SCHOOL SUPPLIES**

Does your student need pencils, a binder, calculator, or colored pencils? Because your student will have six different classes, each teacher will have their own list of school supplies that each student needs for their specific class.

- You can get the typical school supplies such as pencils, pens, folders, etc., but wait until after the first day of class. Each teacher will provide a class syllabus which will list school supplies needed for that class to be handed out the first week of school.
- Backpack: purchase a durable backpack with a wide main pocket, several little pockets and padded shoulder straps. The majority of students will be carrying textbooks to and from school. Once winter rolls around, your student will want a backpack that will hold their textbooks, notebooks, binders, etc., and keep it all dry. Consider locker size restrictions before purchasing a backpack.

## **“WELCOME BACK DAY”**

This is a day for the students. Drop off your student with their books and things for their locker. They will need money to purchase their school photos and locks. Checks or cash only. – Mr. Rick Gardner ([rgardner@marisths.org](mailto:rgardner@marisths.org))

Student Reminders:

- Keep your locker lock/athletic locker lock combination private. Do not leave your lock on the last combination number so when you do open your lock the next time, it is easy to open. Remember to completely shut your locker door and check that your lock is locked.
- Athletic lockers: do not leave your lockers unattended, do not leave valuables (wallets, mp3 players, etc.) laying around and write your name on the clothing label to identify your clothes (especially because there are the same type of shirts, shorts, etc., that are used by each teammate).
- School lockers are set up so each grade level has lockers in the same area and assigned alphabetically. Please keep your belongings in your assigned locker. Switching lockers is not allowed.

## **PARENT INVOLVEMENT**

We all want our students to do the best that they can in school. One way to help our students be successful in school is to volunteer. Being involved in the Marist Parents Association (MPA contact is Maggie Bosworth, [thebozs@comcast.net](mailto:thebozs@comcast.net)), assisting in the front office, volunteering in the library, etc., will allow you to learn more about the school. Also, you will meet a number of wonderful parents who have gone through the same experiences with older children or are currently going through the same issues as you are – so you are not alone. A parent volunteer form can be found in the “Back to School” packet or online under “Parents”, and is attached.

## **COMMUNICATION**

Teachers and administrators will tell you that the best way to reach them is through email. It’s true! The teachers’ emails are listed on the Marist website ([www.marisths.org](http://www.marisths.org) and click on “Contact Us” link).

It is our goal to keep you engaged and informed. We have developed communication tools for you to stay connected to your Marist community. Below is a list of these tools:

- **Marist Website:** the hub for all information where you can get many questions answered before calling the front office. We have created the site to provide you with current news, announcements, opportunities, and more. We have links to such things as the Marist Apparel webstore, book purchasing, and PowerSchool. Contact information, office hours, calendars, policies, and procedures are all online. The Marist website is [www.marisths.org](http://www.marisths.org).
- **School Calendar:** accessible on our website and includes the bell schedule times, event descriptions, and more.
- **Newsline:** our school newsletter is sent out by email at the beginning of each month. The Newsline is used to share important information from the individual departments (example: Counseling, Campus Ministry, the Registrar, etc.). It will also include announcements of upcoming events.
- **Email Communications:** occasionally, we will send you an email with important information about things you need to know. These communications are geared toward informing you of school events such as deadlines for submitting paperwork, announcements of school closures, etc. We also send out emails when we are looking for host families for foreign exchange students.

- **PowerSchool:** online, up-to-date student grade report updated weekly by teachers. When in PowerSchool, you will have the option to sign up to receive announcements (almost daily). The emailed announcement is a little different than the announcement your student hears during their home room each day. If you have difficulty logging in to PowerSchool, please visit our website for a complete how-to (go to the “Parents” drop down menu). A how-to flyer is attached.
- **Spartan Spear:** a weekly electronic school newspaper that is posted and/or emailed to you on Friday after 5:00 p.m. – Ms. Toni Cooper (tcooper@marisths.org)
- **Mail:** flyers for school events like Marist performances, Marist Foundation and Development, *The Marist Magazine*, semester grade reports, and important school events.
- **SchoolReach:** in the event of a snow day, other school closure, or important announcements, you will receive a phone call through the SchoolReach phone system. We will try to make these calls only in the evening between 5 p.m. and 9 p.m. unless it is urgent (such as an early morning school closure due to bad winter weather), in which case the SchoolReach call will be made as needed. [If you wish to opt out of our SchoolReach communications, please contact the Marist Information Technology Department at 541-686-2234, ext. 2502.]

## EXTRA CURRICULAR ACTIVITIES

Marist offers a number of events and clubs students can participate in all year long. Activities and resources can be found on our website under “Students”. Our “Student Activities Guide” can also be found online under “Students”.

## ATHLETICS

- Sports Physical – All players are required to take a physical by a physician every two years. The Sports Pre-Participation (blue) form and the Athletic/Activity Eligibility (gold) form are mandatory and were included in the Back to School packet. If you need an extra copy, they can be found on the Marist Athletics website (<http://athletics.marisths.org/resources.html>).
- Impact Testing – All players are required to take the “Impact Test” providing an initial baseline measurement which helps the athletic staff measure the level of any possible concussion. – Ms. Mari Gibson (mgibson@marisths.org)
- Communication – It is important for parents to attend parent meetings for the sports their student athlete plans to participate in. At these meetings coaches share their program philosophies, as well as how they communicate information.
- Uniforms are handed out at the start of a sport’s season and should be returned at the end of the season. You are responsible for washing uniforms - please help uniforms last by not using bleach. With physical activity, a lot of clothes retain smells and odors. To alleviate sports clothing odor, air-out athletic clothing as soon as you get home (don’t leave the sweaty clothes, shoes, etc. in a sports bag) and wash. There are some detergents specific for eliminating athletic clothing odor or use a 1/2 box of baking soda with the clothing turned inside out. Let the clothes soak in the washing machine for 30 minutes, then wash with regular detergent. When drying, use more than one dryer sheet. Also, put a dryer sheet or two in your student’s athletic bag and/or athletic shoes. For some outside sports that play on turf fields, clean out athletic socks and shoes outside of the house because of the tiny, black, rubber pieces that get all over. A helpful hint is to use baking soda in proportion to amount of clothes being washed
- Team dinners for varsity teams vary by sport. Generally, junior/senior parents coordinate team meals. If you have time to help, this is a great way to get involved and get to know other parents and the students. If your student’s sport has team dinners, they are either donated by parents or billed equally to all parents.
- Transportation to games – Buses/vans are only used to take students to games. Unless the game is out of town, you will probably be asked to pick up your student after the athletic event. Some sports are on their own for all transportation.
- The participation fees vary per sport. Each sport is supported by fund raising and participation fees.
- Spirit Packs – At the beginning of the season, you will be expected to purchase a Spirit Pack which generally includes practice attire basics. There are often additional items such as sweatshirt and jackets for sale at the same time. If parents wish to have sport-specific Marist-wear, we recommend that you order along with your student. Contact the head coach or designated coach for each sport.
- Practice/Game Schedules – Dates and times are listed on the Marist website ([www.marisths.org](http://www.marisths.org)), click on “Athletics” and click on the “Schedules” link.
- Athletic Trainer – Mari Gibson is the athletic trainer for all sports teams (mgibson@marisths.org).
- Conditioning – Off-season conditioning is available and highly encouraged throughout the summer with the exception of the first week of August which is the OSAA mandated Moratorium Week (no sports).
- Admission Fees are charged at most home and away sports events. Prices vary. Marist offers a variety of home passes which may be purchased at the gate of the game or in the main office.
- Daily Participation – Students not arriving at school by 9:30 a.m. or leaving before 1:00 p.m., are not able to participate in that day’s extra curricular activities after school.  
– Mrs. Sharee Waldron (swaldron@marisths.org)

## **THEATRE**

Marist Catholic High School provides its students with an exciting and creative theatre program for actors and technicians alike. There are three main stage productions each year: a fall play, a winter Shakespeare performance, and a spring musical. Rehearsals for all productions are after school, with occasional evening and weekend rehearsals. Open auditions are held for each production. Theatre Club is open to all interested students. Student written and directed work is encouraged. – Mr. Tony Rust (trust@marisths.org)

- A theatre letter and pin are awarded to students. See the Marist Activities Guide for the theatre letter and pin qualification requirements. The guide can be found online at: [www.marisths.org/activities](http://www.marisths.org/activities).
- Parents are recommended to assist with the theatre set, costume construction, ticket sales, publicity, or banquet. – Mr. Tony Rust (trust@marisths.org)

## **MUSIC**

Marist offers four classes in music instruction:

- Advanced Strings – The newest music class is called String Fever. The class meets during zero period (7:10 a.m. - 7:50 a.m.) every day. The group performs four concerts a year as well as other gigs and performances in the Eugene area. For more information, contact Mrs. Alisa Kincade (akinkade@marisths.org).
- Vocal Ensemble – An elective course held during the student's lunch period (credit or non-credit). This group competes and gives four school concerts each year and performs at various locations during the holidays.
- Rock Band – A unique Marist elective course held during 7th period that gives real performance experience to rock musicians. This group competes and gives four school concerts each year.
- Concert/Jazz Band/Pep Band – An elective course held in 8th period after normal school hours. Three years' experience on an instrument and an audition/interview with Jim Reinking is required. Sight-reading, interview and performance of a prepared solo are part of the tryout. This group competes and gives four school concerts each year. – Mr. Jim Reinking (jreinking@marisths.org)

Students may be eligible to receive a Marist Varsity letter for participation in Pep Band.

– Mr. Jim Reinking (jreinking@marisths.org)

## **P.E. (Physical Education courses)**

Students are required to take P.E. courses during their freshman and sophomore years. Students should bring their own appropriate exercise clothing. Students are not required to take showers at school when taking P.E. classes.

## **MEAL SERVICES**

Lunch is served through a contracted company (Sodexo) during the school day in the cafeteria. Students can purchase a lunch or bring their own. Students can eat lunch in the cafeteria or in the courtyard. Eating lunch is not allowed in the hallways. Students can purchase lunch credits at the lunch room counter or Marist Business Office (Ms. Heather Boyles).

## **POWERSCHOOL**

PowerSchool is a useful tool. It is Marist's web-based school course/grade/grading/attendance summary for your student. If you are new to Marist you'll need to create an account. Go to [www.marisths.net](http://www.marisths.net) to get started. If you need help getting started, see the attached how-to flyer or go to the Marist website ([www.marisths.org](http://www.marisths.org)). Under the drop down menu for "Parents" you will find "PowerSchool" and a sub menu called "PowerSchool Account Set Up Help" (or simply go to: <http://www.marisths.org/powerschool-account-setup-help.html>). If you need added assistance, contact the Registrar, Ms. Chris Deffenbacher, at 541-686-2234 ext. 1524, [cdeffenbacher@marisths.org](mailto:cdeffenbacher@marisths.org).

- To use PowerSchool, log on to [www.marisths.net](http://www.marisths.net). Parents and students have different usernames and passwords. Click on the different tabs (Home, Teacher, Memo, etc.) to view different areas related to your student. The courses listed on PowerSchool from top to bottom are in the order of your student's daily classes. Clicking on the letter grade will bring up the breakdown of homework assignments, labs, quizzes, test grades for the term. There will be a notice for your student's first quarter grade. The grade point average (GPA) listed on PowerSchool (after semester grades are posted) is a weighted GPA where there is more grade weight on honors and/or Advance Placement (AP) classes. Teachers update online grades every 3 weeks.
- If you see a poor grade posted on PowerSchool, ask your student about the grade. Because teachers are human, he/she might have incorrectly input a wrong grade for your student. If this happens, have your student inquire about the grade with the teacher. This is the time for your student to take some personal responsibility. Encourage him/her to talk directly with the teacher.
- Have your student keep his/her assignments, quizzes, tests, etc., for his/her classes in case they were not credited or credited incorrectly. It is much easier to provide this paperwork to his/her teacher to correct the grade.

- Remember, when viewing grades on PowerSchool, it is just an indicator of where your student is at this point in time. The semester grade will be a permanent grade on your student's transcript. The first semester grade is calculated as 40% first quarter grade, 40% second quarter grade and 20% final exam grade. Likewise, the second semester grade is calculated as 40% third quarter grade, 40% fourth quarter grade and 20% final exam grade.
- To email a teacher from PowerSchool, click on the teacher's name and their email address will pop up. This will help you to make the best contact with your student's teacher if you need to ask about your student's progress.
- The second semester classes will be posted on PowerSchool in late-January/early February, prior to the second semester starting for the year.
- There is a mobile app for PowerSchool called "PowerSchool for Parents" by Pearson School Systems. It can be found on iTunes.

### **GRADES and HOMEWORK**

Be patient and understanding of your student because there is a significant amount of homework. The load of homework may feel overwhelming to your student, but eventually the students get into a rhythm and it becomes easier to manage. If your student continues to struggle with his/her daily homework assignments/quizzes/tests, have your student talk with his/her teacher(s). If your student continues to struggle after another week or two, as a parent, contact their teacher(s) and counselor(s).

- Because of the number of honors and AP classes available at Marist, it is possible to get above a 4.0 GPA. This is a weighted GPA.

### **CLOTHES and GROOMING**

Wear clean and neat clothing, as well as have appropriate grooming. Please double check the Student Handbook. To start the school year, have your student wear items that are conservative and simple until he/she gets a feel for what is appropriate and sees what the returning students are wearing.

- For days when there is an "All-School" Mass, students must stay in dress clothing all school day. Males should wear a dress shirt, tie, dress pant, dress socks, and non-athletic shoes. Females should wear a dress or blouse with dress pant and non-athletic shoes. The days when Mass occurs are listed on the Marist website ([www.marisths.org](http://www.marisths.org)) on the "Calendar" link. Click on the specific event and more details about the event will be listed. – Mr. Andy Oldham ([aoldham@marisths.org](mailto:aoldham@marisths.org))

### **CALENDAR and DAILY BELL SCHEDULE**

You can view any special events that are occurring on a specific day at Marist by visiting our main school calendar on the home page of our website. If you want to know if your student will have a varying class schedule or late start on a specific day, the calendar includes a daily bell schedule. Bell schedules can also be found on the Marist website under "Academics".

Athletic events are listed on a different "sports" calendar. You can find the sports calendar under Athletics on the Marist website. There is also a hyperlink to the sports calendar on the Marist website home page.

### **ASSEMBLIES**

Every few weeks there will be a school-wide assembly in the gym or Activity Center. All students are expected to attend and participate in these gatherings as they are considered "classroom time". The assemblies will vary from individual and school award and recognition to school-wide functions. Parents are always invited to attend the assemblies. The dates and times of assemblies will be posted on the main school website calendar.

### **CLASS RETREATS**

Retreats every year:

- Freshmen – one night Lock-In and one day retreat – Mr. Rick Martin ([rmartin@marisths.org](mailto:rmartin@marisths.org))
- Sophomores – one night "themed" retreat – Mr. Rick Martin ([rmartin@marisths.org](mailto:rmartin@marisths.org)), Julie Ferrari ([jferrari@marisths.org](mailto:jferrari@marisths.org))
- Juniors – two night Encounter retreat away from campus – Mr. Andrew Oldham ([aoldham@marisths.org](mailto:aoldham@marisths.org)), Mrs. Stacey Baker ([sbaker@marisths.org](mailto:sbaker@marisths.org))
- Seniors – two night Metanoia retreat – Mr. Mark Chronister ([mchronister@marisths.org](mailto:mchronister@marisths.org)), Mr. Bill Ferrari ([bferrari@marisths.org](mailto:bferrari@marisths.org))

## **DANCES**

There are dances that occur during the school year either in the gym or Activity Center. Student dress code is followed at all times during the dance. If your student wants to bring a guest to a dance, she/he must reserve a guest pass from the front office a week or two prior to the dance. Also, once a student leaves the dance, she/he signs out and is not permitted back into the dance. – Mrs. Beth Wirth (bwirth@marisths.org)

## **CHRISTIAN SERVICE HOURS/ VOLUNTEER HOURS**

Each student is expected to be involved in 65 hours of meaningful Christian service to the community. Prior to your student volunteering, make sure he/she checks that the volunteer experience will be applicable. Twenty of those hours can be completed in a variety of venues. The other 50 core hours must be performed in the service to the “least of our brothers and sisters” or folks who are in need, such as the homeless, disabled or less fortunate. Over half the service hours are performed as service-learning projects conducted within the eight semester theology courses. It is very easy to let this requirement lag until the last minute. There are always opportunities that students can participate in, but there are sometimes only a limited number of students who can participate in a certain event so do not wait.

– Mrs. Julie Ferrari (jferrari@marisths.org)

## **CLOSED CAMPUS**

Students are in class from 8:00 a.m. to 2:40 p.m. daily. Student visitors are not allowed on campus. All visitors need to go to the front office. – Mr. Jeff Dreiling (jdreiling@marisths.org), Mr. Andy Oldham (aoldham@marisths.org), Mrs. Stacey Baker (sbaker@marisths.org)

## **ATTENDANCE**

All students are expected to be in class by 7:55 a.m. If your student will be tardy, he/she needs to check-in at the attendance office at the front office upon arrival with a parent signed note or phone call directly to the attendance office (541.681.5485). If your student does not have a parent signed note or phone call explaining the tardiness, he/she will receive an unexcused tardy. If your student is consistently late, please refer to the Student Handbook for disciplinary action.

- If your student will be absent or tardy, a parent/guardian must inform the school each morning between 7:30 a.m.- 9:30 a.m. **by calling 541.681.5485 or 541.681.5487** or by a written note. The message should note the current date, your name, your student’s name, and the reason for the absence. – Mrs. Tammy May (tmay@marisths.org)
- If your student is absent, homework assignments can be found on the teachers’ websites off of the Marist website (www.marisths.org), PowerSchool (www.marisths.net), or by contacting classmates. Teachers expect students to keep up with assignments even if they are not in class.
- Students not arriving at school by 9:30 a.m. or leaving before 1:00 p.m., are not able to participate in that day’s extra curricular activities after school.
- Please do not call the front office first for attendance calls. Please be aware that we do not accept attendance excuses via email. If you need to verify or provide an absence excuse, please call the Attendance Office directly.

## **COUNSELING DEPARTMENT**

The essential function of the Counseling Department is to assist the Marist student in profiting from the educational experience of Marist Catholic High School and to help him/her plan realistically for the future. Students may consult counselors to help with course selection, test interpretation, academic difficulties, and career and college planning as well as to seek help in overcoming personal and family difficulties that may impede their academic progress. Counselors work closely with parents as well, both via individual meetings, and evening information sessions specific to each grade level. Counselor caseloads are divided up by grade level. Feel free to contact your child’s counselor with any questions or concerns: (541) 686-2234, see extensions below.

Freshman Counselor – Shari Pimental, spimental@marisths.org, ext. 1523

Sophomore Counselor / Juniors first semester counselor – Jerry Ragan, jragan@marisths.org, ext. 1511

Senior Counselor / Juniors second semester counselor – Court Wirth, cwirth@marisths.org, ext. 1522

## **ACRONYMS**

- GPA – Grade Point Average
- AP – Advanced Placement
- MOAP – Marist Outdoor Adventure Program
- MPA – Marist Parent Association
- MVP – Marist Volunteer Program
- JVI – Junior Varsity One – mainly sophomores and juniors
- JVII – Junior Varsity Two – mainly freshmen and some sophomores
