REQUIRED ESSAY QUESTIONS

CHOOSE 2 of the following essay prompts to answer. Provide an essay response (300 words or less) to each of the 2 topic questions of choice.

Please refrain from using any form of AI in your answers.

ESSAY QUESTION 1

To complete your first essay please select 1 (your choice) from the following prompts. (If you have applied for a scholarship in previous years, please do not submit the same essay.)

1. When you think of the people in your life that know you the best, what 3 attributes do you think they would use to describe you and why?
2. Leadership is important because it inspires, motivates, and sets an example for others to accomplish positive things. Leadership can manifest itself in many ways. Describe a time or way in which you have demonstrated your leadership ability whether in or out of school.
3. Share about someone in your life who has inspired or influenced you in an important way. How did they impact you and how has that made a difference in your life
4. Lessons we take from obstacles we encounter can often be fundamental to later success or resolution. Recount a time when you faced a challenge, setback or an obstacle. How did it affect you and what did you learn from the experience?
5. A key element to the success of Marist is the sense of community, which is integral to its motto 'We Are One'. When reflecting on this community, what does it mean to you to attend Marist? How do you see yourself contributing to, and gaining from the Marist community?
6. Discuss an accomplishment, event or realization that sparked a period of personal growth and a new understanding of yourself or others.

Enter the number of the prompt (above) you are responding to. 1

Essay #1, please enter your first essay response here

This is the first of two short essay questions (300 words or less) you will be required to answer. You will want to make a point to choose a question that you feel allows you to best express your thoughts and your ability to write. Take time, before you submit your application, to proofread your essay responses – checking for spelling and punctuation errors. We suggest you write the responses in a word document, proofread them and then paste them into the supplication once you are ready to complete the online application process. This application is your chance to shine with the Scholarship selection committee, who will be reviewing all applications. Good luck and Go Spartans!

ESSAY QUESTION 2

To complete your second essay please select 1 (your choice) from the following prompts. (If you have applied for a scholarship in previous years, please do not submit the same essay)

1. When you think of the people in your life that know you the best, what 3 attributes do you think they would use to describe you and why?
2. Leadership is important because it inspires, motivates, and sets an example for others to accomplish positive things. Leadership can manifest itself in many ways. Describe a time or way in which you have demonstrated your leadership ability whether in or out of school.
3. Share about someone in your life who has inspired or influenced you in an important way. How did they impact you and how has that made a difference in your life?
4. Lessons we take from obstacles we encounter can often be fundamental to later success or resolution. Recount a time when you faced a challenge, setback or an obstacle. How did it affect you and what did you learn from the experience?
