*Schedule Notes and Comments for Counselor*

- Please contact your counselors early in the scheduling process with any questions. Students will be contacted by their counselor if a request cannot be accommodated.
- Students are responsible for securing all required recommendations, prerequisites, and appeals before they can be enrolled in requested courses.
- Once the master schedule has been set, course changes **will only be allowed in the most limited of circumstances**. Students and parents should review the course change policy.

*We have reviewed carefully all graduation requirements as well as policies related to course selection and schedules.*
