## OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Updated 1/19/2021

Under ODE's **Ready Schools, Safe Learners** guidance, each school<sup>1</sup> has been directed to submit a plan to the district<sup>2</sup> in order to provide on-site and/or hybrid instruction. Districts must submit each school's plan to the local school board and make the plans available to the public. This form is to be used to document a district's, school's or program's plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the [Ready Schools, Safe Learners guidance](#) document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of, but not limited to, school-based administrators, teachers and school staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation,<sup>3</sup> parents and others for purposes of providing expertise, developing broad understanding of the health protocols and carrying out plan implementation. *It is required that a revised Operational Blueprint be completed and updated when there is a change of Instructional Model.*

1. Please fill out information:

---

<sup>1</sup> For the purposes of this guidance: "school" refers to all public schools, including public charter schools, public virtual charter schools, alternative education programs, private schools and the Oregon School for the Deaf. For ease of readability, "school" will be used inclusively to reference all of these settings.

<sup>2</sup> For the purposes of this guidance: "district" refers to a school district, education service district, public charter school sponsoring district, virtual public charter school sponsoring district, state sponsored public charter school, alternative education programs, private schools, and the Oregon School for the Deaf.

<sup>3</sup> Tribal Consultation is a separate process from stakeholder engagement; consultation recognizes and affirms tribal rights of self-government and tribal sovereignty, and mandates state government to work with American Indian nations on a [government-to-government](#) basis.

SCHOOL/DISTRICT/PROGRAM INFORMATION	
Name of School, District or Program	Marist Catholic High School
Key Contact Person for this Plan	Stacey Baker
Phone Number of this Person	541-686-2234
Email Address of this Person	sbaker@marisths.org
Sectors and position titles of those who informed the plan	President: David Welch, dwelch@marisths.org Principal: Stacey Baker, sbaker@marisths.org Assistant Principal of Academic Affairs: Andy Oldham, aoldham@marisths.org Interim Athletic Director: Bart Pollard, bpollard@marisths.org Director of Campus Ministry and Formation: Rick Martin, rmartin@marisths.org Athletic Trainer/COVID-19 Coordinator: Mari Gibson, mgibson@marisths.org IT/Facility Manager: Chris Fudge, cfudge@marisths.org
Local public health office(s) or officers(s)	Lane County Public Health, 541-682-4041 <a href="https://www.lanecounty.org/cms/one.aspx?pagelid=4078590">https://www.lanecounty.org/cms/one.aspx?pagelid=4078590</a> Kate Blair, <a href="mailto:kathleen.blair@lanecountyor.gov">kathleen.blair@lanecountyor.gov</a> , 541-682-4327
Name of person Designated to Establish, Implement and Enforce Physical Distancing Requirements	Principal: Stacey Baker, sbaker@marisths.org Assistant Principal of Academic Affairs: Andy Oldham, aoldham@marisths.org Interim Athletic Director: Bart Pollard, bpollard@marisths.org Director of Campus Ministry and Formation: Rick Martin, rmartin@marisths.org Athletic Trainer/COVID-19 Coordinator: Mari Gibson, mgibson@marisths.org
Intended Effective Dates for this Plan	February 16, 2021
ESD Region	Archdiocese of Portland, Oregon Lane County

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

<ul style="list-style-type: none"> <li>• Ongoing email updates with links and resources</li> <li>• All plans posted on our website</li> <li>• COVID resource page for families on school website</li> <li>• Surveys</li> </ul>
--

3. Select which instructional model will be used:

**On-Site Learning**    
 **Hybrid Learning**    
 **Comprehensive Distance Learning**

4. If you selected Comprehensive Distance Learning, you only have to fill out the green portion of the Operational Blueprint for Reentry (i.e., page 2 in the initial template).

5. If you selected On-Site Learning or Hybrid Learning, you have to fill out the blue portion of the Operational Blueprint for Reentry (i.e., pages 3-22 in the initial template) and [submit online](#), including updating when you are changing Instructional Model (<https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a>).

\* **Note:** Private schools are required to comply with only sections 1-3 of the *Ready Schools, Safe Learners* guidance.

### REQUIREMENTS FOR COMPREHENSIVE DISTANCE LEARNING OPERATIONAL BLUEPRINT

*This section must be completed by any school that is seeking to provide instruction through Comprehensive Distance Learning. For Private Schools, completing this section is optional (not required). Schools providing On-Site or Hybrid Instructional Models do not need to complete this section.*

Describe why you are selecting Comprehensive Distance Learning as the school's Instructional Model for the effective dates of this plan.

In completing this portion of the Blueprint you are attesting that you have reviewed the Comprehensive Distance Learning Guidance. [Here is a link to the overview of CDL Requirements.](#) Please name any requirements you need ODE to review for any possible flexibility or waiver.

Describe the school's plan, including the anticipated timeline, for returning to Hybrid Learning or On-Site Learning consistent with the *Ready Schools, Safe Learners* guidance.

*The remainder of this operational blueprint is not applicable to schools operating a Comprehensive Distance Learning Model.*

### ESSENTIAL REQUIREMENTS FOR HYBRID / ON-SITE OPERATIONAL BLUEPRINT

*This section must be completed by any school that is providing instruction through On-Site or Hybrid Instructional Models. Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.*

# 1. Public Health Protocols

## 1a. COMMUNICABLE DISEASE MANAGEMENT PLAN FOR COVID-19

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Conduct a risk assessment as required by OSHA administrative rule <a href="#">OAR 437-001-0744(3)(g)</a>. <ul style="list-style-type: none"> <li>• OSHA has developed a <a href="#">risk assessment template</a>.</li> </ul> </li> <li><input checked="" type="checkbox"/> Implement measures to limit the spread of COVID-19 within the school setting, including when the school setting is outside a building.</li> <li><input checked="" type="checkbox"/> Update written Communicable Disease Management Plan to specifically address the prevention of the spread of COVID-19. Examples are located in the <a href="#">Oregon School Nurses Association (OSNA) COVID-19 Toolkit</a>. <ul style="list-style-type: none"> <li>• Review OSHA requirements for infection control plan to ensure that all required elements are covered by your communicable disease management plan, including making the plan available to employees at their workplace. Requirements are listed in OSHA administrative rule <a href="#">OAR 437-001-0744(3)(h)</a>.</li> <li>• OSHA has developed a sample <a href="#">infection control plan</a>.</li> </ul> </li> <li><input checked="" type="checkbox"/> Designate a single point-person at each school to establish, implement, support and enforce all RSSL health and safety protocols, including face coverings and physical distancing requirements, consistent with the <b>Ready Schools, Safe Learners</b> guidance and other guidance from OHA. This role should be known to all staff in the building with consistent ways for licensed and classified staff to access and voice concerns or needs.</li> <li><input type="checkbox"/> Create a simple process that allows for named and anonymous sharing of concerns that can be reviewed on a daily and weekly basis by the designated RSSL building point-person. Example: Anonymous survey form or suggestion box where at least weekly submissions and resolutions are shared in some format.</li> <li><input checked="" type="checkbox"/> Include names of the LPHA staff, school nurses, and other medical experts who provided support and resources to the district/school policies and plans. Review relevant local, state, and national evidence to inform plan.</li> <li><input checked="" type="checkbox"/> Process and procedures established to train all staff in sections 1 - 3 of the <b>Ready Schools, Safe Learners</b> guidance. Consider conducting the training virtually, or, if in-person, ensure physical distancing is maintained to the maximum extent possible.</li> <li><input checked="" type="checkbox"/> Protocol to notify the local public health authority (<a href="#">LPHA Directory by County</a>) of any confirmed COVID-19 cases among students or staff.</li> <li><input checked="" type="checkbox"/> Plans for systematic disinfection of classrooms, common areas, offices, table surfaces, bathrooms and activity areas.</li> <li><input checked="" type="checkbox"/> Process to report to the LPHA any cluster of any illness among staff or students.</li> <li><input checked="" type="checkbox"/> Protocol to cooperate with the LPHA recommendations.</li> <li><input checked="" type="checkbox"/> Provide all logs and information to the LPHA in a timely manner.</li> <li><input checked="" type="checkbox"/> Protocol for screening students and staff for symptoms (see section 1f of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input checked="" type="checkbox"/> Protocol to isolate any ill or exposed persons from physical contact with others.</li> <li><input checked="" type="checkbox"/> Protocol for communicating potential COVID-19 cases to the school community and other stakeholders (see section 1e of the <b>Ready Schools, Safe Learners</b> guidance).</li> </ul>	<p><b>Communicable Disease Management Plan:</b> As an Archdiocesan high school, Marist will follow Multnomah Education Service District's (MESD) Comprehensive Communicable <a href="#">Disease Management Plan</a>.</p> <hr/> <p><b>Staff to Enforce Protocols:</b> David Welch, <a href="mailto:dwelch@marisths.org">dwelch@marisths.org</a>, President Stacey Baker, <a href="mailto:sbaker@marisths.org">sbaker@marisths.org</a>, Principal Mari Gibson, <a href="mailto:mgibson@marisths.org">mgibson@marisths.org</a>, Athletic Trainer/COVID-19 Coordinator</p> <hr/> <p><b>Lane County Public Health Contacts</b> Lane County Public Health, 541-682-4041 <a href="https://www.lanecounty.org/cms/one.aspx?pageId=4078590">https://www.lanecounty.org/cms/one.aspx?pageId=4078590</a></p> <p>Luis Pimentel, <a href="mailto:luis.pimentel@lanecountyor.gov">luis.pimentel@lanecountyor.gov</a> Kate Blair, <a href="mailto:kathleen.blair@lanecountyor.gov">kathleen.blair@lanecountyor.gov</a></p> <hr/> <p><b>Staff Training:</b> Staff training will happen during in-service week and through staff meetings. An in depth review of protocols will happen prior to our return to in-person instruction.</p> <p>Staff will receive the Return to School Plan and the Communicable Disease Management Plan.</p> <p>Training for preparation of hybrid schedule will include:</p> <ul style="list-style-type: none"> <li>Review of the plan</li> <li>Proper hygiene and sanitization protocols</li> <li>Conducting temperature and wellness checks</li> <li>Physical distancing and traffic flow</li> <li>Beginning and end of day procedures</li> </ul> <p>The COVID-19 Coordinator will provide training, monitor updates from ODE, CDC, OHA, and LCPH and provide updates and additional trainings as needed.</p> <hr/> <p><b>Plans for systematic disinfection of classrooms, offices, bathrooms and activity areas.</b> There will be a schedule for cleaning campus during the day which will include:</p> <ul style="list-style-type: none"> <li>Bathrooms will be cleaned twice a day.</li> <li>UV sterilization daily in bathrooms.</li> <li>Classrooms will receive UV sterilization daily after hours.</li> <li>Hallways and all high touch surfaces will be cleaned daily.</li> </ul> <p>UV sterilization daily in common hallways, main office, staff mailroom, conference room, health room, Athletic Training Facility. This will happen before or after school hours.</p> <p>Cleaning logs will be kept and monitored weekly.</p> <p>Student hallway lockers will not be utilized.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Create a system for maintaining daily logs for each student/cohort for the purposes of contact tracing. This system needs to be made in consultation with a school/district nurse or an LPHA official. Sample logs are available as a part of the <a href="#">Oregon School Nurses Association COVID-19 Toolkit</a>. <ul style="list-style-type: none"> <li>• If a student(s) is part of a stable cohort (a group of students that are consistently in contact with each other or in multiple cohort groups) that conform to the requirements of cohorting (see section 1d of the <i>Ready Schools, Safe Learners</i> guidance), the daily log may be maintained for the cohort.</li> <li>• If a student(s) is not part of a stable cohort, then an individual student log must be maintained.</li> </ul> </li> <li>☒ Required components of individual daily student/cohort logs include: <ul style="list-style-type: none"> <li>• Child’s name</li> <li>• Drop off/pick up time</li> <li>• Parent/guardian name and emergency contact information</li> <li>• All staff (including itinerant staff, district staff, substitutes, and guest teachers) names and phone numbers who interact with a stable cohort or individual student</li> </ul> </li> <li>☒ Protocol to record/keep daily logs to be used for contact tracing for a minimum of four weeks to assist the LPHA as needed. <ul style="list-style-type: none"> <li>• See supplemental guidance on LPHA/school partnering on <a href="#">contact tracing</a>.</li> <li>• Refer to <a href="#">OHA Policy on Sharing COVID-19 Information</a></li> </ul> </li> <li>☒ Process to ensure that all itinerant and all district staff (maintenance, administrative, delivery, nutrition, and any other staff ) who move between buildings keep a log or calendar with a running four-week history of their time in each school building and who they were in contact with at each site. <b>N/A at this time</b></li> <li>☒ Process to ensure that the school reports to and consults with the LPHA regarding cleaning and possible classroom or program closure if anyone who has entered school is diagnosed with COVID-19.</li> <li>☒ Designate a staff member and process to ensure that the school provides updated information regarding current instructional models and student counts and reports these data in <a href="#">ODE’s COVID-19 Weekly School Status</a> system.</li> <li>☒ Protocol to respond to potential outbreaks (see section 3 of the <i>Ready Schools, Safe Learners</i> guidance).</li> </ul>	<hr/> <p><b>Process to report to the LPHA any cluster of any illness among staff or students.</b>  COVID-19 Coordinator or Principal will call LPHA to report any cluster of any illness among staff or students as soon as they are aware.</p> <hr/> <p><b>Protocol to cooperate with the LPHA recommendations.</b>  Marist will follow all LPHA recommendations concerning COVID-19 exposure and/or illnesses.</p> <hr/> <p><b>Provide all logs and information to the LPHA in a timely manner.</b>  The COVID-19 Coordinator or Principal will provide LPHA with all logs and information within 24hrs of request.</p> <hr/> <p><b>Protocol for screening students and staff for symptoms (see section 1f of the <i>Ready Schools, Safe Learners</i> guidance).</b>  Each morning staff complete a self-screening for temperature and health check. If a staff member answers “yes” to any of the questions he or she will go home. The COVID-19 Coordinator will follow up.</p> <p>Teachers and designated staff take each student’s temperature when the student comes to campus. The student submits their health screening through a QR code system. Any student who answers “yes” will be sent to the office and asked to wait in the designated isolation room until parents/guardians are contacted. The COVID-19 Coordinator will follow up with parents/guardians.</p> <p>All employee and student health screenings and campus check-in logs are maintained electronically through a QR code check in process. These employee logs are organized by week and student logs are organized daily for quick and easy reference. Logs will be kept for a minimum of 4 weeks.</p> <hr/> <p><b>Protocol to isolate any ill or exposed persons from physical contact with others.</b>  When a STUDENT arrives on campus and answers YES to ANY of the questions on the Self-Screening Questionnaire, positive upon visual screen, or becomes ill while at school, they must report to the teacher/coach/moderator they are with on campus.</p> <ul style="list-style-type: none"> <li>• Students will be sent to the health room during the academic day or athletic training facility during athletics for further screening.</li> <li>• Designated staff will wear medical grade face mask and gloves.</li> <li>• Screen for exclusion criteria with self-screening log.</li> <li>• When it is determined that a student has symptoms that are excludable, take the student to isolation space to wait for parent/guardian pickup.</li> <li>• The parent/guardian will be contacted to pick up student.</li> <li>• Provide face mask for student and maintain physical distancing.</li> <li>• If more than one student is in an isolation space, appropriate distance or barriers must be maintained between students.</li> <li>• Do not leave students unattended.</li> <li>• Upon pickup, reinforce school quarantine scenarios with handout.</li> <li>• Sanitize the space between each use.</li> </ul> <p>When a STAFF member arrives on campus and answers YES to ANY of the questions on the Self-Screening Questionnaire, positive upon visual screen, or becomes ill while at school:</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
	<ul style="list-style-type: none"> <li>• They must report to the designated staff for further screening.</li> <li>• Designated staff will wear medical grade face mask and gloves.</li> <li>• Screen for exclusion criteria with self screening log.</li> <li>• If they meet the exclusion criteria, they will be dismissed to home or emergency contact can be called.</li> <li>• Staff must be moved to isolation room, if waiting for pick-up.</li> <li>• Reinforce quarantine scenarios.</li> <li>• Staff will contact their health care provider and stay home as directed and obtain a COVID-19 test, if advised. <ul style="list-style-type: none"> <li>○ This should be a minimum 24 hours fever free (or vomiting and diarrhea 48 hours) without the use of symptom reducing medication.</li> </ul> </li> <li>• Follow-up communication and documentation will be sent to <a href="mailto:covidhealth@marisths.org">covidhealth@marisths.org</a></li> </ul> <hr/> <p><b>Protocol for communicating potential COVID-19 cases to the school community and other stakeholders (see section 1e of the <i>Ready Schools, Safe Learners</i> guidance).</b></p> <p>Phone calls will be made to those who were in close contact/exposed to a presumptive COVID-19 case.  Notification to school community will be sent.  ODE sample communications will be referred to as a template.  FERPA and HIPPA requirements will be followed.</p> <hr/> <p><b>Create a system for maintaining daily logs for each student/cohort for the purposes of contact tracing.</b></p> <p>All employee and student health screenings and campus check-in logs are maintained electronically through a QR code check in process. These employee logs are organized by week and student logs are organized daily for quick and easy reference. Logs will be kept for a minimum of 4 weeks.</p> <hr/> <p><b>Required components of individual daily student/cohort logs include.</b>  All required information will be included in the logs/information.</p> <hr/> <p><b>Protocol to record/keep daily logs to be used for contact tracing for a minimum of four weeks to assist the LPHA as needed.</b></p> <p>All employee and student health screenings and campus check-in logs are maintained electronically through a QR code check in process. These employee logs are organized by week and student logs are organized daily for quick and easy reference. Logs will be kept for a minimum of 4 weeks.</p> <hr/> <p><b>Process to ensure that the school reports to and consults with the LPHA regarding cleaning and possible classroom or program closure if anyone who has entered school is diagnosed with COVID-19.</b></p> <p>Facilities Manager and Principal will consult with LPHA about required cleaning and follow recommendations.</p> <hr/> <p><b>Designate a staff member and process to ensure that the school provides updated information regarding current instructional models and student counts and reports these data in <a href="#">ODE's COVID-19 Weekly School Status</a> system.</b></p> <p>The Principal submits numbers weekly to ODE via the Archdiocesan Department of Catholic Schools (Portland, Oregon)</p> <hr/> <p><b>Protocol to respond to potential outbreaks (see section 3 of the <i>Ready Schools, Safe Learners</i> guidance).</b></p> <p>Planning COVID-19 Scenarios in Schools will continue to reviewed and followed.  Principal and COVID-19 Coordinator will contact LPHA and follow all guidance.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
	CDL will implemented when/where advised/needed Cleaning per guidance

**1b. HIGH-RISK POPULATIONS**

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Serve students in high-risk population(s) whether learning is happening through On-Site (<i>including outside</i>), Hybrid (partially On-Site and partially Comprehensive Distance Learning models), or Comprehensive Distance Learning models.</p> <p><b>Medically Fragile, Complex and Nursing-Dependent Student Requirements</b></p> <p><input checked="" type="checkbox"/> All districts must account for students who have health conditions that require additional nursing services. Oregon law (<a href="#">ORS 336.201</a>) defines three levels of severity related to required nursing services:</p> <ol style="list-style-type: none"> <li>1. Medically Complex: Are students who may have an unstable health condition and who may require daily professional nursing services.</li> <li>2. Medically Fragile: Are students who may have a life-threatening health condition and who may require immediate professional nursing services.</li> <li>3. Nursing-Dependent: Are students who have an unstable or life-threatening health condition and who require daily, direct, and continuous professional nursing services.</li> </ol> <p><input type="checkbox"/> Review <a href="#">Supplemental Guidance on Community and Health Responsibilities Regarding FAPE in Relation to IDEA During CDL and Hybrid</a>.</p> <p><input type="checkbox"/> Staff and school administrators, in partnership with school nurses, or other school health providers, should work with interdisciplinary teams to address individual student needs. The school registered nurse (RN) is responsible for nursing care provided to individual students as outlined in ODE guidance and state law:</p> <ul style="list-style-type: none"> <li>• Communicate with parents and health care providers to determine return to school status and current needs of the student.</li> <li>• Coordinate and update other health services the student may be receiving in addition to nursing services. This may include speech language pathology, occupational therapy, physical therapy, as well as behavioral and mental health services.</li> <li>• Modify Health Management Plans, Care Plans, IEPs, or 504 or other student-level medical plans, as indicated, to address current health care considerations.</li> <li>• The RN practicing in the school setting should be supported to remain up to date on current guidelines and access professional support such as evidence-based resources from the <a href="#">Oregon School Nurses Association</a>.</li> <li>• Service provision should consider health and safety as well as legal standards.</li> <li>• Appropriate medical-grade personal protective equipment (PPE) should be made available to <a href="#">nurses and other health providers</a>.</li> <li>• Work with an interdisciplinary team to meet requirements of ADA and FAPE.</li> <li>• High-risk individuals may meet criteria for exclusion during a local health crisis.</li> <li>• Refer to updated state and national guidance and resources such as: <ul style="list-style-type: none"> <li>○ U.S. Department of Education Supplemental Fact Sheet: Addressing the Risk of COVID-19 in</li> </ul> </li> </ul>	<p><b>Serve students in high-risk population(s) whether learning is happening through On-Site (<i>including outside</i>), Hybrid (partially On-Site and partially Comprehensive Distance Learning models), or Comprehensive Distance Learning models.</b></p> <p>Students will have the option to remain CDL.</p> <hr/> <p><b>Medically Fragile, Complex and Nursing-Dependent Student Requirements</b></p> <p>We do not currently have students in this category. If this were to change we would support students through appropriate accommodations. Families who are concerned about students being on campus for hybrid instruction, CDL will still be available.</p> <hr/>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>Preschool, Elementary and Secondary Schools While Serving Children with Disabilities from March 21, 2020.</p> <ul style="list-style-type: none"> <li>○ ODE guidance updates for Special Education. Example from March 11, 2020.</li> <li>○ OAR 581-015-2000 Special Education, requires districts to provide 'school health services and school nurse services' as part of the 'related services' in order 'to assist a child with a disability to benefit from special education.'</li> <li>○ OAR 333-019-0010 Public Health: Investigation and Control of Diseases: General Powers and Responsibilities, outlines authority and responsibilities for school exclusion.</li> </ul>	

### 1c. PHYSICAL DISTANCING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require <b>use of all space</b> in the calculation. This also applies for professional development and staff gatherings. If implementing Learning Outside guidance, establish an outside learning space for learning that maintains minimum 35 square feet per person. <ul style="list-style-type: none"> <li>• Within this design, educators should have their own minimum of 35 square feet and the design of the learning environment must allow for some ability for the educator to move through the room efficiently and carefully without breaking 6 feet of physical distance to the maximum extent feasible.</li> </ul> </li> <li>☒ Support physical distancing in all daily activities and instruction, maintaining six feet between individuals to the maximum extent possible.</li> <li>☒ Minimize time standing in lines and take steps to ensure that six feet of distance between students is maintained, including marking spacing on floor, one-way traffic flow in constrained spaces, etc.</li> <li>☒ Schedule modifications to limit the number of students in the building or outside learning space (e.g., rotating groups by days or location, staggered schedules to avoid hallway crowding and gathering).</li> <li>☒ Plan for students who will need additional support in learning how to maintain physical distancing requirements. Provide instruction; don't employ punitive discipline.</li> <li>☒ Staff must maintain physical distancing during all staff meetings and conferences, or consider remote web-based meetings.</li> </ul>	<p><b>Establish a minimum of 35 square feet per person when determining room capacity.</b></p> <p>A minimum of 35 square feet per person will be utilized in determining classroom, office and common space capacities.</p> <p>Office spaces and shared spaces (mail room, front office, conference room, etc) will have maximum occupancy posted on the door.</p> <p>Directional flow and physical distancing markers will be placed throughout campus.</p> <p>Student desks will be set 6 feet apart and students will be in assigned seats.</p> <p>More information can be found in the <a href="#">Back to School Plan</a> on pages 8-12.</p> <p>Large all staff/faculty meetings are conducted via zoom. Small meetings are conducted in a space with 35 square feet per person and face masks are worn at all times.</p> <p>Phase in plan is half day followed by full days. When students return to full days and on campus lunch is added back to the schedule, lunch will be outside, physically distanced.</p>

### 1d. COHORTING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Where feasible, establish stable cohorts: groups shall be no larger than can be accommodated by the space available to provide 35 square feet per person, including staff. <ul style="list-style-type: none"> <li>• The smaller the cohort, the less risk of spreading disease. As cohort groups increase in size, the risk of spreading disease increases.</li> </ul> </li> <li>☒ Students cannot be part of any single cohort, or part of multiple cohorts that exceed a total of 100 people within the educational</li> </ul>	<p>Students cohorts will be by class period and the number of student contact through cohorts will not exceed 100 students.</p> <p>During phase in, students will be in 2 cohorts each day.</p> <p>Daily logs are outlined in previous section.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>week<sup>4</sup>, unless the school is offering Learning Outside, then they must follow guidelines for cohorting in Learning Outside guidance. Schools must plan to limit cohort sizes to allow for efficient contact-tracing and minimal risk for exposure. Cohorts may change week-to-week, but must be stable within the educational week.</p> <ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Each school must have a system for daily logs to ensure contact tracing among the cohort (see section 1a of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input checked="" type="checkbox"/> Minimize interaction between students in different stable cohorts (e.g., access to restrooms, activities, common areas). Provide access to All Gender/Gender Neutral restrooms.</li> <li><input checked="" type="checkbox"/> Cleaning and sanitizing surfaces (e.g., desks, dry erase boards, door handles, etc.) must be maintained between multiple student uses, even in the same cohort.</li> <li><input checked="" type="checkbox"/> Design cohorts such that all students (including those protected under ADA and IDEA) maintain access to general education, grade-level academic content standards<sup>5</sup>, and peers.</li> <li><input checked="" type="checkbox"/> Minimize the number of staff that interact with each cohort to the extent possible, staff who interact with multiple stable cohorts must wash/sanitize their hands between interactions with different stable cohorts.</li> <li><input type="checkbox"/> Elementary staff who interact with multiple cohorts (music, PE, library, paraprofessionals who provide supervision at recesses, etc.) should have schedules altered to reduce the number of cohorts/students they interact within a week. Consider having these staff engage via technology, altering duties so that they are not in close contact with students in multiple cohorts, or adjust schedules to reduce contacts. <b>We are a high school.</b></li> </ul>	<p>Students and staff will use bathrooms and water fill stations in the hallway their class is in.</p> <p>All weight room equipment, athletic equipment and athletic training facility will be cleaned daily.</p> <p>Each staff member will have access to cleaning supplies and PPE.</p> <p>Passing time has been increased from 4 minutes to 10 minutes to allow for proper cleaning between classes and for students to get to class on time following directional flow patterns. The time will be structured in the following way:</p> <ul style="list-style-type: none"> <li>• Multiple wipe containers at the front of the desk rows.</li> <li>• Just before passing time student at front of row walks down row to have each student grab a wipe, then head of row student wipes outside of sanitizing wipe bottle</li> <li>• Students clean table/desk top, seat, seat back with wipe</li> <li>• Teacher is stationed just outside doorway at exit for hallway supervision during passing time.</li> <li>• Teacher greets incoming students during passing time, reminds of 6 ft and to keeping moving following directional flow</li> <li>• When students begin to enter classroom doorway, teacher reminds students to sanitize hands then gives each student a wipe to clean their desk before sitting down.</li> </ul> <p>All desks will be sanitized between classes. Teachers will be trained to effectively sanitize their rooms.</p> <p>Employees are to disinfect their own workspace multiple times throughout the day, giving special attention to commonly touched surfaces. Alcohol-based hand sanitizers and cleaning products are accessible throughout the workplace to disinfect frequently touched objects and surfaces such as telephones and keyboards.</p> <p>The site custodial team will clean all workspaces at their designated cleaning time.</p> <p><i>Please note that proper equipment such as acceptable disinfectant and PPE will be used when cleaning individual workspaces.</i></p>

### 1e. PUBLIC HEALTH COMMUNICATION AND TRAINING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Communicate to staff at the start of On-Site instruction and at periodic intervals explaining infection control measures that are being implemented to prevent spread of disease.</li> <li><input checked="" type="checkbox"/> Offer initial training to all staff prior to being in-person in any instructional model. Training could be accomplished through all staff webinar, narrated slide decks, online video, using professional learning communities, or mailing handouts with discussion. Training cannot be delivered solely through the sharing or forwarding information electronically or in paper copy form as this</li> </ul>	<p>On-going communication and review will happen during staff meetings.</p> <p>Staff will be retrained before students return to limited in-person instruction.</p> <p>All students will attend an orientation before return to limited in-person instruction. Teachers will be provided with a slide deck to</p>

<sup>4</sup> The cohort limit is focused on the students experience and their limit of 100 people includes every person they come into contact with, including staff. There is not a limitation for staff in cohort size while care should be given to design and attention to the additional requirements.

<sup>5</sup> Academic content standards refer to all of Oregon state academic standards and the Oregon CTE skill sets.

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>is an insufficient method for ensuring fidelity to public health protocols (<a href="#">see section 8b</a> of the <i>Ready Schools, Safe Learners</i> guidance for specific training requirements). Note: Instructional time requirements allow for time to be devoted for professional learning that includes RSSL training.</p> <ul style="list-style-type: none"> <li>☒ Post “COVID -19 Hazard Poster” and “Masks Required” signs as required by OSHA administrative rule <a href="#">OAR 437-001-0744(3)(d) and (e)</a>.</li> <li>☒ Develop protocols for communicating with students, families and staff who have come into close contact with a person who has COVID-19. <ul style="list-style-type: none"> <li>• The definition of exposure is being within 6 feet of a person who has COVID-19 for at least 15 cumulative minutes in a day.</li> <li>• OSHA has developed a <a href="#">model notification policy</a>.</li> </ul> </li> <li>☒ Develop protocols for communicating immediately with staff, families, and the school community when a new case(s) of COVID-19 is diagnosed in students or staff members, including a description of how the school or district is responding.</li> <li>☒ Periodic interval training also keeps the vigilance to protocols ever present when fatigue and changing circumstances might result in reduced adherence to guidance.</li> <li>☒ Provide all information in languages and formats accessible to the school community.</li> </ul>	<p>review new protocols and expectations with students including protocols particular to their classroom during the first week back.</p> <p>COVID-19, face mask/covering, reminders to stay home if ill, and proper hand washing signs are posted throughout campus in both English and Spanish.</p> <p>Communication protocol is outlined in previous section on page 6.</p>

#### 1f. ENTRY AND SCREENING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Direct students and staff to stay home if they have COVID-19 symptoms. COVID-19 symptoms are as follows: <ul style="list-style-type: none"> <li>• Primary symptoms of concern: cough, fever (temperature of 100.4°F or higher) or chills, shortness of breath, difficulty breathing, or new loss of taste or smell.</li> <li>• Note that muscle pain, headache, sore throat, diarrhea, nausea, vomiting, new nasal congestion, and runny nose are also symptoms often associated with COVID-19. More information about COVID-19 symptoms is available <a href="#">from CDC</a>.</li> <li>• In addition to COVID-19 symptoms, students must be excluded from school for signs of other infectious diseases, per existing school policy and protocols. See pages 9-11 of OHA/ODE <a href="#">Communicable Disease Guidance for Schools</a>.</li> <li>• Emergency signs that require immediate medical attention: <ul style="list-style-type: none"> <li>○ Trouble breathing</li> <li>○ Persistent pain or pressure in the chest</li> <li>○ New confusion or inability to awaken</li> <li>○ Bluish lips or face (lighter skin); greyish lips or face (darker skin)</li> <li>○ Other severe symptoms</li> </ul> </li> </ul> </li> <li>☒ Diligently screen all students and staff for symptoms on entry to bus/school/outside learning space every day. This can be done visually as well as asking students and staff about any new symptoms or close contact with someone with COVID-19. For students, confirmation from a parent/caregiver or guardian can also be appropriate. Staff members can self-screen and attest to their own health, but regular reminders of the importance of daily screening must be provided to staff. <ul style="list-style-type: none"> <li>• Anyone displaying or reporting the primary symptoms of concern must be isolated (see section 1i of the <i>Ready Schools, Safe Learners</i> guidance) and sent home as soon as possible. <a href="#">See table “Planning for COVID-19 Scenarios in Schools.”</a></li> </ul> </li> </ul>	<p>Students and staff are directed to self screen at home and to stay home if ill or exhibiting any COVID-19 like symptoms.</p> <p>OHA communicable disease guidance for schools will be followed.</p> <p>Staff and families who have COVID-19 related questions or concerns related to processes/protocols may contact the COVID-19 coordinator and/or principal via phone or by emailing questions to <a href="mailto:covidhealth@marisths.org">covidhealth@marisths.org</a>.</p> <p>Symptomatic staff and student will be excluded and directed to see their health care provider.</p> <p>Students and staff who become symptomatic while on campus will report to the isolation room and will be tested following the requirements for COVID-19 Testing in Oregon’s K-12 Schools program from the OHA.</p> <p>Each morning staff complete a self-screening for temperature and health check. If a staff member answers “yes” to any of the questions he or she will go home. The COVID-19 Coordinator will follow up.</p> <p>Teachers and designated staff take each student’s temperature when the student comes to campus. The student submits their health screening through a QR code system. Any student who answers “yes” will be sent to the office and asked to wait in the designated isolation room until parents/guardians are contacted. The COVID-19 Coordinator will follow up with parents/guardians.</p> <p>All employee and student health screenings and campus check-in logs are maintained electronically through a QR code check in process.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>• <a href="#">Additional guidance</a> for nurses and health staff.</li> </ul> <p><input checked="" type="checkbox"/> Follow LPHA advice on restricting from school any student or staff known to have been exposed (e.g., by a household member) to COVID-19. See <a href="#">“Planning for COVID-19 Scenarios in Schools”</a> and the <a href="#">COVID-19 Exclusion Summary Guide</a>.</p> <p><input checked="" type="checkbox"/> Staff or students with a chronic or baseline cough that has worsened or is not well-controlled with medication must be excluded from school. Do not exclude staff or students who have other symptoms that are chronic or baseline symptoms (e.g., asthma, allergies, etc.) from school. See the <a href="#">COVID-19 Exclusion Summary Guide</a>.</p> <p><input checked="" type="checkbox"/> Hand hygiene on entry to school every day: wash with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.</p>	<p>These employee logs are organized by week and student logs are organized daily for quick and easy reference. Logs will be kept for a minimum of 4 weeks.</p> <p>All guidance from LPHA will be followed. Students and staff will be excluded from school and referred to their health care provider.</p> <p>Hand hygiene posters are posted in all bathrooms and hand sanitizing stations have been installed at the entry of each classroom and common space.</p>

### 1g. VISITORS/VOLUNTEERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Restrict non-essential visitors/volunteers.</p> <ul style="list-style-type: none"> <li>• Examples of essential visitors include: DHS Child Protective Services, Law Enforcement, etc.</li> <li>• Examples of non-essential visitors/volunteers include: Parent Teacher Association (PTA), classroom volunteers, etc.</li> </ul> <p><input checked="" type="checkbox"/> Diligently screen all visitors/volunteers for symptoms and ask questions about symptoms and any close contact with someone diagnosed with COVID-19 upon every entry. Restrict from school property any visitor known to have been exposed to COVID-19. See the <a href="#">COVID-19 Exclusion Summary Guide</a>.</p> <p><input checked="" type="checkbox"/> Visitors/volunteers must wash or sanitize their hands upon entry and exit.</p> <p><input checked="" type="checkbox"/> Visitors/volunteers must maintain six-foot distancing, wear face coverings, and adhere to all other provisions of the <b>Ready Schools, Safe Learners</b> guidance.</p>	<p>Once school is back in session on campus, visitors will still be limited while COVID-19 risk persists as determined by county health agencies.</p> <p>Visitors who will on campus for a meeting will have their temperature taken and will complete the health screening, which will be monitored and archived for 4 weeks.</p> <p>Visitors will follow hygiene, mask, and physical distancing protocols.</p>

### 1h. FACE COVERINGS, FACE SHIELDS, AND CLEAR PLASTIC BARRIERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Employers are required to provide masks, face coverings, or face shields for all staff, contractors, other service providers, visitors and volunteers.</p> <p><input checked="" type="checkbox"/> Face coverings or face shields for all staff, contractors, other service providers, visitors or volunteers following <a href="#">CDC guidelines for Face Coverings</a>. Individuals may remove their face coverings while working alone in private offices or when separated by more than 6 feet in outside learning spaces. Face shields are an acceptable alternative only when a person has a medical condition that prevents them from wearing a mask or face covering, when people need to see mouth and tongue motions in order to communicate, or when an individual is speaking to an audience for a short period of time and clear communication is otherwise not possible.</p> <p><input checked="" type="checkbox"/> Face coverings or face shields for all students in grades Kindergarten and up following <a href="#">CDC guidelines for Face Coverings</a>. Face shields are an acceptable alternative when a student has a medical condition that prevents them from wearing a mask or face covering, or when people need to see the student’s mouth and tongue motions in order to communicate.</p> <p><input checked="" type="checkbox"/> Face coverings should be worn both indoors and outdoors, including during outdoor recess.</p>	<p>Face coverings are required in Oregon for everyone age 5 and older, in all indoor and outdoor public spaces.</p> <p>OHA definitions and specifications of face coverings: <a href="https://sharesystems.dhsoha.state.or.us/DHSForms/Served/le2288K.pdf">https://sharesystems.dhsoha.state.or.us/DHSForms/Served/le2288K.pdf</a></p> <p>All students, staff, and visitors will be required to wear a face cover/mask.</p> <p>More information can be found in the <a href="#">Back to School Plan</a> on page 10.</p> <p>Group mask breaks will not be scheduled. After asking the teacher, students who need a mask break may step into the hallway, alone, for a short mask break.</p>

**OHA/ODE Requirements****Hybrid/Onsite Plan**

- ☒ Group mask breaks” or “full classroom mask breaks” are not allowed. If a student removes a face covering, or demonstrates a need to remove the face covering for a short-period of time:
  - Provide space away from peers while the face covering is removed. In the classroom setting, an example could be a designated chair where a student can sit and take a 15 minute “sensory break;”
    - Students must not be left alone or unsupervised;
    - Designated area or chair must be appropriately distanced from other students and of a material that is easily wiped down for disinfection after each use;
  - Provide additional instructional supports to effectively wear a face covering;
  - Provide students adequate support to re-engage in safely wearing a face covering;
  - Students cannot be discriminated against or disciplined for an inability to safely wear a face covering during the school day.
- ☒ Face masks for school RNs or other medical personnel when providing direct contact care and monitoring of staff/students displaying symptoms. School nurses shall also wear appropriate Personal Protective Equipment (PPE) for their role.
  - [Additional guidance](#) for nurses and health staff.

**Accommodations under ADA or IDEA and providing FAPE while attending to Face Covering Guidance**

- ☐ If any student requires an accommodation to meet the requirement for face coverings, districts and schools must limit the student’s proximity to students and staff to the extent possible to minimize the possibility of exposure. Appropriate accommodations could include:
  - Offering different types of face coverings and face shields that may meet the needs of the student.
  - Spaces away from peers while the face covering is removed; students must not be left alone or unsupervised.
  - Short periods of the educational day that do not include wearing the face covering, while following the other health strategies to reduce the spread of disease.
  - Additional instructional supports to effectively wear a face covering.
- ☐ For students with existing medical conditions and a physician’s orders to not wear face coverings, or other health related concerns, schools/districts **must not** deny any in-person instruction.
- ☐ Schools and districts must comply with the established IEP/504 plan prior to the closure of in-person instruction in March of 2020, or the current plan in effect for the student if appropriately developed after March of 2020.
  - If a student eligible for, or receiving services under a 504/IEP, **cannot** wear a face covering due to the nature of the disability, the school or district must:
    1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student’s plan including on-site instruction with accommodations or adjustments.
    2. Not make placement determinations solely on the inability to wear a face covering.
    3. Include updates to accommodations and modifications to support students in plans.

N95 medical grade and/or surgical mask, face shield, and gown will be provided to the Athletic Trainer/COVID-19 Coordinator, the health room and the isolation room supervisor, and staff who are trained to administer COVID-19 testing to symptomatic staff and students or those who are exposed or come in close contact with a presumptive positive case while on campus.

**OHA/ODE Requirements**

**Hybrid/Onsite Plan**

- For students protected under ADA/IDEA, who abstain from wearing a face covering, or students whose families determine the student will not wear a face covering, the school or district must:
  1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student's plan.
  2. The team must determine that the disability is not prohibiting the student from meeting the requirement.
    - If the team determines that the disability is prohibiting the student from meeting the requirement, follow the requirements for students eligible for, or receiving services under, a 504/IEP who cannot wear a face covering due to the nature of the disability,
    - If a student's 504/IEP plan included supports/goals/instruction for behavior or social emotional learning, the school team must evaluate the student's plan prior to providing instruction through Comprehensive Distance Learning.
  3. Hold a 504/IEP meeting to determine equitable access to educational opportunities which may include limited in-person instruction, on-site instruction with accommodations, or Comprehensive Distance Learning.
- For students not currently served under an IEP or 504, districts must consider whether or not student inability to consistently wear a face covering or face shield as required is due to a disability. Ongoing inability to meet this requirement may be evidence of the need for an evaluation to determine eligibility for support under IDEA or Section 504.
- If a staff member requires an accommodation for the face covering or face shield requirements, districts and schools shall work to limit the staff member's proximity to students and staff to the extent possible to minimize the possibility of exposure.

OHA/ODE Requirements	Hybrid/Onsite Plan

### 1i. ISOLATION AND QUARANTINE

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Protocols for exclusion and isolation for sick students and staff whether identified at the time of bus pick-up, arrival to school, or at any time during the school day.</p> <p><input checked="" type="checkbox"/> Protocols for screening students, as well as exclusion and isolation protocols for sick students and staff identified at the time of arrival or during the school day. See the <a href="#">COVID-19 Exclusion Summary Guide</a>.</p> <ul style="list-style-type: none"> <li>• Work with school nurses, health care providers, or other staff with expertise to determine necessary modifications to areas where staff/students will be isolated. If two students present COVID-19 symptoms at the same time, they must be isolated at once. If separate rooms are not available, ensure that six feet distance is maintained. Do not assume they have the same illness. Consider if and where students and staff will be isolated during learning outside. Create a comfortable outdoor area for isolation or follow plan for in building isolation.</li> <li>• Consider required physical arrangements to reduce risk of disease transmission.</li> <li>• Plan for the needs of generally well students who need medication or routine treatment, as well as students who may show signs of illness.</li> <li>• <a href="#">Additional guidance</a> for nurses and health staff for providing care to students with complex needs.</li> </ul> <p><input checked="" type="checkbox"/> Students and staff who report or develop symptoms must be isolated in a designated isolation area in the school or outside learning space, with adequate space and staff supervision and symptom monitoring by a school nurse, other school-based health care provider or school staff until they are able to go home. Anyone providing supervision and symptom monitoring must wear appropriate face covering or face shields.</p> <ul style="list-style-type: none"> <li>• School nurses and health staff in close contact with symptomatic individuals (less than 6 feet) must wear a medical-grade face mask. Other Personal Protective Equipment (PPE) may be needed depending on symptoms and care provided. Consult a nurse or health care professional regarding appropriate use of PPE. Any PPE used during care of a symptomatic individual must be properly removed and disposed of prior to exiting the care space.</li> <li>• After removing PPE, hands shall be immediately cleaned with soap and water for at least 20 seconds. If soap and water are not available, hands can be cleaned with an alcohol-based hand sanitizer that contains 60-95% alcohol.</li> </ul>	<p>When a STUDENT arrives on campus and answers YES to ANY of the questions on the Self-Screening Questionnaire, positive upon visual screen, or becomes ill while at school, they must report to the teacher/coach/moderator they are with on campus.</p> <ul style="list-style-type: none"> <li>• Students will be sent to the health room during the academic day or athletic training facility during athletics for further screening.</li> <li>• Designated staff will wear medical grade face mask and gloves.</li> <li>• Screen for exclusion criteria with self-screening log.</li> <li>• When it is determined that a student has symptoms that are excludable, take the student to isolation space to wait for parent/guardian pickup.</li> <li>• The parent/guardian will be contacted to pick up student.</li> <li>• Provide face mask for student and maintain physical distancing.</li> <li>• If more than one student is in an isolation space, appropriate distance or barriers must be maintained between students.</li> <li>• Do not leave students unattended.</li> <li>• Upon pickup, reinforce school quarantine scenarios with handout.</li> <li>• Sanitize the space between each use.</li> </ul> <p>When a STAFF member arrives on campus and answers YES to ANY of the questions on the Self-Screening Questionnaire, positive upon visual screen, or becomes ill while at school:</p> <ul style="list-style-type: none"> <li>• They must report to the designated staff for further screening.</li> <li>• Designated staff will wear medical grade face mask and gloves.</li> <li>• Screen for exclusion criteria with self screening log.</li> <li>• If they meet the exclusion criteria, they will be dismissed to home or emergency contact can be called.</li> <li>• Staff must be moved to isolation room, if waiting for pick-up.</li> <li>• Reinforce quarantine scenarios.</li> <li>• Staff will contact their health care provider and stay home as directed and obtain a COVID-19 test, if advised. <ul style="list-style-type: none"> <li>○ This should be a minimum 24 hours fever free (or vomiting and diarrhea 48 hours) without the use of symptom reducing medication.</li> </ul> </li> </ul>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>• If able to do so safely, a symptomatic individual shall wear a face covering.</li> <li>• To reduce fear, anxiety, or shame related to isolation, provide a clear explanation of procedures, including use of PPE and handwashing.</li> </ul> <ul style="list-style-type: none"> <li>☒ Establish procedures for safely transporting anyone who is sick to their home or to a health care facility.</li> <li>☒ Staff and students who are ill must stay home from school and must be sent home if they become ill at school, particularly if they have COVID-19 symptoms. Refer to table in <a href="#">“Planning for COVID-19 Scenarios in Schools.”</a></li> <li>☒ Involve school nurses, School Based Health Centers, or staff with related experience (Occupational or Physical Therapists) in development of protocols and assessment of symptoms (where staffing exists).</li> <li>☒ Record and monitor the students and staff being isolated or sent home for the LPHA review.</li> <li>☒ The school must provide a remote learning option for students who are required to be temporarily off-site for isolation and quarantine.</li> </ul>	<ul style="list-style-type: none"> <li>• Follow-up communication and documentation will be sent to <a href="mailto:covidhealth@marisths.org">covidhealth@marisths.org</a></li> </ul> <p>Parents/guardians will transport their child.</p> <p>We do not have a school nurse or health center but we have developed protocols and assessment of symptoms for designated staff members to follow.</p> <p>Health room supervisor keeps a records of and monitors health room and isolation room use.</p> <p>CDL will be available for students and staff on quarantine as needed.</p>

## 2. Facilities and School Operations

Some activities and areas will have a higher risk for spread (e.g., band, choir, science labs, locker rooms). When engaging in these activities within the school setting, schools will need to consider additional physical distancing or conduct the activities outside (where feasible). Additionally, schools should consider sharing explicit risk statements for instructional and extra-curricular activities requiring additional considerations (see section 5f of the **Ready Schools, Safe Learners** guidance).

### 2a. ENROLLMENT

*(Note: Section 2a does not apply to private schools.)*

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☐ Enroll all students (including foreign exchange students) following the standard Oregon Department of Education guidelines.</li> <li>☐ The temporary suspension of the 10-day drop rule does not change the rules for the initial enrollment date for students: <ul style="list-style-type: none"> <li>• The ADM enrollment date for a student is the first day of the student’s actual attendance.</li> <li>• A student with fewer than 10 days of absence at the beginning of the school year may be counted in membership prior to the first day of attendance, but not prior to the first calendar day of the school year.</li> <li>• If a student does not attend during the first 10 session days of school, the student’s ADM enrollment date must reflect the student’s actual first day of attendance.</li> <li>• Students who were anticipated to be enrolled, but who do not attend at any time must not be enrolled and submitted in ADM.</li> </ul> </li> <li>☐ If a student has stopped attending for 10 or more days, districts must continue to try to engage the student. At a minimum, districts must attempt to contact these students and their families weekly to either encourage attendance or receive confirmation that the student has transferred or has withdrawn from school. This includes students who were scheduled to start the school year, but who have not yet attended.</li> </ul>	

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input type="checkbox"/> When enrolling a student from another school, schools must request documentation from the prior school within 10 days of enrollment per OAR 581-021-0255 to make all parties aware of the transfer. Documentation obtained directly from the family does not relieve the school of this responsibility. After receiving documentation from another school that a student has enrolled, drop that student from your roll.</li> <li><input type="checkbox"/> Design attendance policies to account for students who do not attend in-person due to student or family health and safety concerns.</li> <li><input type="checkbox"/> When a student has a pre-excused absence or COVID-19 absence, the school district must reach out to offer support at least weekly until the student has resumed their education.</li> <li><input type="checkbox"/> When a student is absent beyond 10 days and meets the criteria for continued enrollment due to the temporary suspension of the 10 day drop rule, continue to count them as absent for those days and include those days in your Cumulative ADM reporting.</li> </ul>	

### 2b. ATTENDANCE

(Note: Section 2b does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input type="checkbox"/> Grades K-5 (self-contained): Attendance must be taken at least once per day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools).</li> <li><input type="checkbox"/> Grades 6-12 (individual subject): Attendance must be taken at least once for each scheduled class that day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools).</li> <li><input type="checkbox"/> Alternative Programs: Some students are reported in ADM as enrolled in a non-standard program (such as tutorial time), with hours of instruction rather than days present and days absent. Attendance must be taken at least once for each scheduled interaction with each student, so that local systems can track the student's attendance and engagement. Reported hours of instruction continue to be those hours in which the student was present.</li> <li><input type="checkbox"/> Online schools that previously followed a two check-in per week attendance process must follow the Comprehensive Distance Learning requirements for checking and reporting attendance.</li> <li><input type="checkbox"/> Provide families with clear and concise descriptions of student attendance and participation expectations as well as family involvement expectations that take into consideration the home environment, caregiver's work schedule, and mental/physical health.</li> </ul>	

### 2c. TECHNOLOGY

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Update procedures for district-owned or school-owned devices to match cleaning requirements (see section 2d of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input checked="" type="checkbox"/> Procedures for return, inventory, updating, and redistributing district-owned devices must meet physical distancing requirements.</li> <li><input checked="" type="checkbox"/> If providing learning outside and allowing students to engage with devices during the learning experiences, provide safe charging stations.</li> </ul>	<p>Information can be found in the <a href="#">Back to School Plan</a> on page 7. <a href="https://www.marisths.org/technology.html">https://www.marisths.org/technology.html</a></p>

### 2d. SCHOOL SPECIFIC FUNCTIONS/FACILITY FEATURES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ <b>Handwashing:</b> All people on campus shall be advised and encouraged to frequently wash their hands or use hand sanitizer.</li> <li>☒ <b>Equipment:</b> Develop and use sanitizing protocols for all equipment used by more than one individual or purchase equipment for individual use.</li> <li>☒ <b>Events:</b> Cancel, modify, or postpone field trips, assemblies, athletic events, practices, special performances, school-wide parent meetings and other large gatherings to meet requirements for physical distancing.</li> <li>☒ <b>Transitions/Hallways:</b> Limit transitions to the extent possible. Create hallway procedures to promote physical distancing and minimize gatherings.</li> <li>☒ <b>Personal Property:</b> Establish policies for identifying personal property being brought to school (e.g., refillable water bottles, school supplies, headphones/earbuds, cell phones, books, instruments, etc.).</li> </ul>	<ul style="list-style-type: none"> <li>● <b>Handwashing:</b> Handwashing signs in all bathrooms, handwashing time is built into passing which has increased from 4 minutes to 10 minutes.</li> <li>● <b>Equipment:</b> Hand sanitizing stations have been placed near the entry/exit of all common spaces (front office, cafeteria, ARC etc)  Additional hand sanitizing stations will be placed outside each classroom. Students will be expected to sanitize hands when entering and leaving the room.</li> <li>● <b>Events:</b> All events will be modified, offered virtually or rescheduled to ensure all COVID-19 guidelines able to be followed. Some events may be cancelled.</li> <li>● <b>Transitions/Hallways:</b> Hallways will be marked with traffic flow. Staff will be assigned to hallways to support proper physical distancing and mask wearing. Passing time has been increased from 4 minutes to 10.</li> <li>● <b>Personal Property:</b> Students are encouraged to leave all non-related school items as home.</li> </ul>

## 2e. ARRIVAL AND DISMISSAL

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Physical distancing, stable cohorts, square footage, and cleaning requirements must be maintained during arrival and dismissal procedures.</li> <li>☒ Create schedule(s) and communicate staggered arrival and/or dismissal times.</li> <li>☒ Assign students or cohorts to an entrance; assign staff member(s) to conduct visual screenings (see section 1f of the <i>Ready Schools, Safe Learners</i> guidance).</li> <li>☒ Ensure accurate sign-in/sign-out protocols to help facilitate contact tracing by the LPHA. Sign-in procedures are not a replacement for entrance and screening requirements. Students entering school after arrival times must be screened for the primary symptoms of concern. <ul style="list-style-type: none"> <li>● Eliminate shared pen and paper sign-in/sign-out sheets.</li> <li>● Ensure hand sanitizer is available if signing children in or out on an electronic device.</li> </ul> </li> <li>☒ Ensure alcohol-based hand sanitizer (with 60-95% alcohol) dispensers are easily accessible near all entry doors and other high-traffic areas. Establish and clearly communicate procedures for keeping caregiver drop-off/pick-up as brief as possible.</li> </ul>	<p>All sign in/out protocols will be done with student school-issued iPads. Students will not share supplies.</p> <p>Hand sanitizing stations have been installed at the entry of all classes and shared/common spaces.</p>

## 2f. CLASSROOMS/REPURPOSED LEARNING SPACES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ <b>Seating:</b> Rearrange student desks and other seat spaces so that staff and students' physical bodies are six feet apart to the maximum extent possible while also maintaining 35 square feet per person; assign seating so students are in the same seat at all times.</li> <li>☒ <b>Materials:</b> Avoid sharing of community supplies when possible (e.g., scissors, pencils, etc.). Clean these items frequently. Provide hand sanitizer and tissues for use by students and staff.</li> <li>☒ <b>Handwashing:</b> Remind students (with signage and regular verbal reminders from staff) of the utmost importance of hand hygiene and respiratory etiquette. Respiratory etiquette means covering coughs and sneezes with an elbow or a tissue. Tissues shall be</li> </ul>	<ul style="list-style-type: none"> <li>● <b>Seating:</b> Desks will be 6 feet apart and 35 square feet per person will be observed. Non-essential furniture will be removed from all classrooms.</li> <li>● <b>Materials:</b> Students will bring their own school supplies and materials. Art students will purchase an art supply kit for \$10.</li> <li>● <b>Handwashing:</b> Additional hand sanitizing stations will be placed outside each classroom. Students will be expected to sanitize hands when entering and leaving the room.</li> </ul>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>disposed of in a garbage can, then hands washed or sanitized immediately.</p> <ul style="list-style-type: none"> <li>Wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.</li> </ul>	

### 2g. PLAYGROUNDS, FIELDS, RECESS, BREAKS, AND RESTROOMS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Keep school playgrounds closed to the general public until park playground equipment and benches reopen in the community (see Oregon Health Authority's <a href="#">Specific Guidance for Outdoor Recreation Organizations</a>).</li> <li><input checked="" type="checkbox"/> After using the restroom students must wash hands with soap and water for 20 seconds. Soap must be made available to students and staff. For learning outside if portable bathrooms are used, set up portable hand washing stations and create a regular cleaning schedule.</li> <li><input checked="" type="checkbox"/> Before and after using playground equipment, students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol.</li> <li><input checked="" type="checkbox"/> Designate playground and shared equipment solely for the use of one cohort at a time. Outdoor playground structures require normal routine cleaning and do not require disinfection. Shared equipment (balls, jump ropes, etc.) should be cleaned and disinfected at least daily in accordance with <a href="#">CDC guidance</a>.</li> <li><input checked="" type="checkbox"/> Cleaning requirements must be maintained (see section 2j of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input checked="" type="checkbox"/> Maintain physical distancing requirements, stable cohorts, and square footage requirements.</li> <li><input checked="" type="checkbox"/> Provide signage and restrict access to outdoor equipment (including sports equipment, etc.).</li> <li><input checked="" type="checkbox"/> Design recess activities that allow for physical distancing and maintenance of stable cohorts.</li> <li><input checked="" type="checkbox"/> Clean all outdoor equipment at least daily or between use as much as possible in accordance with <a href="#">CDC guidance</a>.</li> <li><input checked="" type="checkbox"/> Limit the number of employees gathering in shared spaces. Restrict use of shared spaces such as conference rooms, break rooms, and elevators by limiting occupancy or staggering use, maintaining six feet of distance between adults. Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable space, understanding that tables and room set-up will require use of all space in the calculation. Note: The largest area of risk is adults eating together in break rooms without face coverings.</li> </ul>	<p>Marist is private school with a closed campus. Campus is always closed to public access during the school day.</p> <p>Hand washing will be reviewed with students. Hand washings are in all bathrooms.</p> <p>As a high school, we do not have playground equipment. All athletic equipment and facilities will follow all OHA Guidelines for Athletics:  <a href="https://athletics.marisths.org/uploads/3/8/1/6/3816576/statewide_reopening_guidance-k-12_school_sports_limited_return_to_play.pdf">https://athletics.marisths.org/uploads/3/8/1/6/3816576/statewide_reopening_guidance-k-12_school_sports_limited_return_to_play.pdf</a></p> <p>All weight room equipment, athletic equipment and athletic training facility will be cleaned daily.</p> <p>All desks will be sanitized between classes. Teachers will be trained to effectively sanitize their rooms.</p> <p>Teachers will be encouraged to keep doors and windows open and teach classes outdoors when appropriate.</p> <p>Employees are to disinfect their own workspace multiple times throughout the day, giving special attention to commonly touched surfaces. Alcohol-based hand sanitizers and cleaning products are accessible throughout the workplace to disinfect frequently touched objects and surfaces such as telephones and keyboards. The site custodial team will clean all workspaces at their designated cleaning time.  <i>Please note that proper equipment such as acceptable disinfectant and PPE will be used when cleaning individual workspaces.</i></p> <p>Information can be found in the <a href="#">Back to School Plan</a> on page 11.</p> <p>All entry and exit doors are signed and traffic flow throughout campus will be assigned.</p> <p>All spaces on campus are labeled with a maximum occupancy number.</p> <p>Staff Lounge:  Staff must bring their own utensils, cups, plates etc.</p> <p>Shared coffee makers will not be utilized.</p> <p>The front of microwaves and refrigerator door handle must be wiped down after each use.</p> <p>All items stored in the refrigerator must be labeled with a staff name. NO shared items such as coffee creamer, salad dressing, etc. is allowed.</p> <p>Information can be found in the <a href="#">Back to School Plan</a> on page 11.</p>

### 2h. MEAL SERVICE/NUTRITION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input type="checkbox"/> Include meal services/nutrition staff in planning for school reentry.</li> <li><input type="checkbox"/> Prohibit self-service buffet-style meals.</li> <li><input type="checkbox"/> Prohibit sharing of food and drinks among students and/or staff.</li> <li><input type="checkbox"/> At designated meal or snack times, students may remove their face coverings to eat or drink but must maintain six feet of physical distance from others, and must put face coverings back on after finishing the meal or snack.</li> <li><input type="checkbox"/> Staff serving meals and students interacting with staff at mealtimes must wear face coverings (see section 1h of the <b>Ready Schools, Safe Learners</b> guidance). Staff must maintain 6 feet of physical distance to the greatest extent possible. If students are eating in a classroom, staff may supervise from the doorway of the classroom if feasible.</li> <li><input type="checkbox"/> Students and staff must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol before meals and shall be encouraged to do so after.</li> <li><input type="checkbox"/> Appropriate daily cleaning of meal items (e.g., plates, utensils, transport items).</li> <li><input type="checkbox"/> Cleaning and sanitizing of meal touch-points and meal counting system between stable cohorts.</li> <li><input type="checkbox"/> Adequate cleaning and disinfection of tables between meal periods.</li> <li><input type="checkbox"/> Since staff must remove their face coverings during eating and drinking, limit the number of employees gathering in shared spaces. Restrict use of shared spaces such as conference rooms and break rooms by limiting occupancy or staggering use. Consider staggering times for staff breaks, to prevent congregation in shared spaces. Always maintain at least six feet of physical distancing and establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require use of all space in the calculation. Wear face coverings except when eating or drinking and minimize time in spaces where face coverings are not consistently worn.</li> </ul>	

## 2i. TRANSPORTATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input type="checkbox"/> Include transportation departments (and associated contracted providers, if used) in planning for return to service.</li> <li><input type="checkbox"/> Buses are cleaned frequently. Conduct targeted cleanings between routes, with a focus on disinfecting frequently touched surfaces of the bus (see section 2j of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input type="checkbox"/> Staff must use hand sanitizer (containing between 60-95% alcohol) in between helping each child and when getting on and off the vehicle. Gloves are not recommended; hand sanitizer is strongly preferred. If hand sanitizer is not available, disposable gloves can be used and must be changed to a new pair before helping each child.</li> <li><input type="checkbox"/> Develop protocol for loading/unloading that includes visual screening for students exhibiting symptoms and logs for contact-tracing. This must be done at the time of arrival and departure. <ul style="list-style-type: none"> <li>• If a student displays COVID-19 symptoms, provide a face covering (unless they are already wearing one) and keep six feet away from others. Continue transporting the student. <ul style="list-style-type: none"> <li>○ The symptomatic student shall be seated in the first row of the bus during transportation, and multiple windows must be opened to allow for fresh air circulation, if feasible.</li> <li>○ The symptomatic student shall leave the bus first. After all students exit the bus, the seat and</li> </ul> </li> </ul> </li> </ul>	<p>N/A</p> <p>Athletics will follow all transportation protocols from ODE, OHA, and OSAA for travel to athletic events/contests.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>surrounding surfaces must be cleaned and disinfected.</p> <ul style="list-style-type: none"> <li>• If arriving at school, notify staff to begin isolation measures. <ul style="list-style-type: none"> <li>○ If transporting for dismissal and the student displays an onset of symptoms, notify the school.</li> </ul> </li> </ul> <p><input type="checkbox"/> Consult with parents/guardians of students who may require additional support (e.g., students who experience a disability and require specialized transportation as a related service) to appropriately provide service.</p> <p><input type="checkbox"/> Drivers must wear masks or face coverings while driving, unless the mask or face covering interferes with the driver's vision (e.g., fogging of eyeglasses). Drivers must wear face coverings when not actively driving and operating the bus, including while students are entering or exiting the vehicle. A face shield may be an acceptable alternative, only as stated in Section 1h of the <b>Ready Schools, Safe Learners</b> guidance.</p> <p><input type="checkbox"/> Inform parents/guardians of practical changes to transportation service (i.e., physical distancing at bus stops and while loading/unloading, potential for increased route time due to additional precautions, sanitizing practices, and face coverings).</p> <p><input type="checkbox"/> Face coverings for all students, applying the guidance in section 1h of the <b>Ready Schools, Safe Learners</b> guidance to transportation settings. This prevents eating while on the bus.</p> <p><input type="checkbox"/> Take all possible actions to maximize ventilation: Dress warmly, keep vents and windows open to the greatest extent possible.</p>	

## 2j. CLEANING, DISINFECTION, AND VENTILATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Clean, sanitize, and disinfect frequently touched surfaces (e.g. door handles, sink handles, drinking fountains, transport vehicles) and shared objects (e.g., toys, games, art supplies) between uses multiple times per day. Maintain clean and disinfected (<a href="#">CDC guidance</a>) environments, including classrooms, cafeteria settings and restrooms. Provide time and supplies for the cleaning and disinfecting of high-touch surfaces between multiple student uses, even in the same cohort.</p> <p><input type="checkbox"/> Outdoor learning spaces must have at least 75% of the square footage of its sides open for airflow.</p> <p><input checked="" type="checkbox"/> Outdoor playground structures require normal routine cleaning and do not require disinfection. Shared equipment should be cleaned and disinfected at least daily in accordance with <a href="#">CDC guidance</a>.</p> <p><input checked="" type="checkbox"/> Apply disinfectants safely and correctly following labeling direction as specified by the manufacturer. Keep these products away from students.</p> <p><input checked="" type="checkbox"/> To reduce the risk of asthma, choose disinfectant products on the EPA List N with asthma-safer ingredients (e.g. hydrogen peroxide, citric acid, or lactic acid) and avoid products that mix these with asthma-causing ingredients like peroxyacetic acid, sodium hypochlorite (bleach), or quaternary ammonium compounds.</p> <p><input checked="" type="checkbox"/> Schools with HVAC systems must evaluate the system to minimize indoor air recirculation (thus maximizing fresh outdoor air) to the extent possible. Schools that do not have mechanical ventilation systems shall, to the extent possible, increase natural ventilation by opening windows and interior doors before students arrive and after students leave, and while students are present. Do not prop open doors that can pose a safety or security risk to students and staff (e.g., exterior doors and fire doors that must remain closed.)</p> <p><input checked="" type="checkbox"/> Schools with HVAC systems should ensure all filters are maintained and replaced as necessary to ensure proper functioning of the system.</p>	<p>In addition to the cleaning items shared though out this document, more information about health and safety protocols/updates can be found in the <a href="#">Back to School Plan</a> on pages 8-12.</p> <p>A full airflow assessment of all buildings and classrooms has been complete by an HVAC company. All systems are in line with COVID-19 air flow requirements and meet OSHA standards.</p> <p>Merv-13 air filters are installed.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> All intake ports that provide outside air to the HVAC system should be cleaned, maintained, and cleared of any debris that may affect the function and performance of the ventilation system.</li> <li><input checked="" type="checkbox"/> Consider running ventilation systems continuously and changing the filters more frequently. Do <u>not</u> use fans if they pose a safety or health risk, such as increasing exposure to pollen/allergies or exacerbating asthma symptoms. Consider using window fans or box fans positioned in open windows to blow fresh outdoor air into the classroom via one window, and indoor air out of the classroom via another window. Fans must not be used in rooms with closed windows and doors, as this does not allow for fresh air to circulate.</li> <li><input checked="" type="checkbox"/> Consider the need for increased ventilation in areas where students with special health care needs receive medication or treatments.</li> <li><input checked="" type="checkbox"/> Facilities must be cleaned and disinfected at least daily to prevent transmission of the virus from surfaces (see <a href="#">CDC's guidance on disinfecting public spaces</a>).</li> <li><input checked="" type="checkbox"/> Consider modification or enhancement of building ventilation where feasible (see <a href="#">CDC's guidance on ventilation and filtration</a> and <a href="#">American Society of Heating, Refrigerating, and Air-Conditioning Engineers' guidance</a>).</li> </ul>	

**2k. HEALTH SERVICES**

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> OAR 581-022-2220 Health Services, requires districts to “maintain a prevention-oriented health services program for all students” including space to isolate sick students and services for students with special health care needs. While OAR 581-022-2220 does not apply to private schools, private schools must provide a space to isolate sick students and provide services for students with special health care needs.</li> <li><input type="checkbox"/> Licensed, experienced health staff should be included on teams to determine district health service priorities. Collaborate with health professionals such as school nurses; SBHC staff; mental and behavioral health providers; dental providers; physical, occupational, speech, and respiratory therapists; and School Based Health Centers (SBHC).</li> </ul>	We have establish a health room and an isolation room.

**2l. BOARDING SCHOOLS AND RESIDENTIAL PROGRAMS ONLY**

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input type="checkbox"/> Provide specific plan details and adjustments in Operational Blueprints that address staff and student safety, which includes how you will approach: <ul style="list-style-type: none"> <li>• Contact tracing</li> <li>• The intersection of cohort designs in residential settings (by wing or common restrooms) with cohort designs in the instructional settings. The same cohorting parameter limiting total cohort size to 100 people applies.</li> <li>• Quarantine of exposed staff or students</li> <li>• Isolation of infected staff or students</li> <li>• Communication and designation of where the “household” or “family unit” applies to your residents and staff</li> </ul> </li> <li><input type="checkbox"/> Review and take into consideration <a href="#">CDC guidance</a> for shared or congregate housing: <ul style="list-style-type: none"> <li>• Not allow more than two students to share a residential dorm room unless alternative housing arrangements are impossible</li> <li>• Ensure at least 64 square feet of room space per resident</li> </ul> </li> </ul>	

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>• Reduce overall residential density to ensure sufficient space for the isolation of sick or potentially infected individuals, as necessary;</li> <li>• Configure common spaces to maximize physical distancing;</li> <li>• Provide enhanced cleaning;</li> <li>• Establish plans for the containment and isolation of on-campus cases, including consideration of PPE, food delivery, and bathroom needs.</li> </ul> <p><b>Exception</b> K-12 boarding schools that do not meet the Advisory Metrics (Section 0 of the <i>Ready Schools, Safe Learners</i> guidance) may operate, in consultation with their Local Public Health Authority, provided that:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> They have a current and complete RSSL Blueprint and are complying with Sections 1-3 of the <i>Ready Schools, Safe Learners</i> guidance and any other applicable sections, including Section 2L of the <i>Ready Schools, Safe Learners</i> guidance.</li> <li><input type="checkbox"/> The school maintains a fully-closed residential campus (no non-essential visitors allowed), and normal day school operations are only offered remotely through distance learning.</li> <li><input type="checkbox"/> There have been no confirmed cases of COVID-19 among school staff or students in the past 14 days.</li> <li><input type="checkbox"/> Less than 10% of staff, employees, or contracts (in total) are traveling to or from campus. Staff in this designation will: <ul style="list-style-type: none"> <li>• Limit travel to essential functions.</li> <li>• Carefully monitor their own health daily and avoid coming to campus at any potential symptom of COVID-19.</li> </ul> </li> <li><input type="checkbox"/> Any boarding students newly arriving to campus will either: <ul style="list-style-type: none"> <li>• Complete a quarantine at home for 14 days* prior to traveling to the school, OR</li> <li>• Quarantine on campus for 14 days.*</li> </ul> </li> </ul> <p>* A 14-day quarantine is the safest option to prevent the spread of COVID-19 to others. However, in either option above, for boarding students who have not developed any symptoms, schools may consider ending quarantine after 10 days without any testing, or after 7 days with a negative result on a COVID-19 viral test collected within 48 hours before ending quarantine, unless otherwise directed by the local public health authority (LPHA).</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Student transportation off-campus is limited to medical care.</li> </ul>	

**2m. SCHOOL EMERGENCY PROCEDURES AND DRILLS**

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input type="checkbox"/> In accordance with <a href="#">ORS 336.071</a> and <a href="#">OAR 581-022-2225</a> all schools (including those operating a Comprehensive Distance Learning model) are required to instruct students on emergency procedures. Schools that operate an On-Site or Hybrid model need to instruct and practice drills on emergency procedures so that students and staff can respond to emergencies. <ul style="list-style-type: none"> <li>• At least 30 minutes in each school month must be used to instruct students on the emergency procedures for fires, earthquakes (including tsunami drills in appropriate zones), and safety threats.</li> <li>• Fire drills must be conducted monthly.</li> <li>• Earthquake drills (including tsunami drills and instruction for schools in a tsunami hazard zone) must be conducted two times a year.</li> <li>• Safety threats including procedures related to lockdown, lockout, shelter in place and evacuation and other appropriate actions to take when there is a threat to safety must be conducted two times a year.</li> </ul> </li> </ul>	

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Drills can and should be carried out <u>as close as possible</u> to the procedures that would be used in an actual emergency. For example, a fire drill must be carried out with the same alerts and same routes as normal. If appropriate and practicable, COVID-19 physical distancing measures can be implemented, but only if they do not compromise the drill. <input type="checkbox"/> When or if physical distancing must be compromised, drills must be completed in less than 15 minutes. <input type="checkbox"/> Drills shall not be practiced unless they can be practiced correctly. <input type="checkbox"/> Train staff on safety drills prior to students arriving on the first day on campus in hybrid or face-to-face engagement. <input type="checkbox"/> If on a hybrid schedule, conduct multiple drills each month to ensure that all cohorts of students have opportunities to participate in drills (i.e., schedule on different cohort days throughout the year). <input checked="" type="checkbox"/> Students must wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol after a drill is complete.	

**2n. SUPPORTING STUDENTS WHO ARE DYSREGULATED, ESCALATED, AND/OR EXHIBITING SELF-REGULATORY CHALLENGES**

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Utilize the components of Collaborative Problem Solving or a similar framework to continually provide instruction and skill-building/training related to the student’s demonstrated lagging skills. <input type="checkbox"/> Take proactive/preventative steps to reduce antecedent events and triggers within the school environment. <input type="checkbox"/> Be proactive in planning for known behavioral escalations (e.g., self-harm, spitting, scratching, biting, eloping, failure to maintain physical distance). Adjust antecedents where possible to minimize student and staff dysregulation. Recognize that there could be new and different antecedents and setting events with the additional requirements and expectations for the 2020-21 school year. <input type="checkbox"/> Establish a proactive plan for daily routines designed to build self-regulation skills; self-regulation skill-building sessions can be short (5-10 minutes), and should take place at times when the student is regulated and/or is not demonstrating challenging behaviors. <input type="checkbox"/> Ensure all staff are trained to support de-escalation, provide lagging skill instruction, and implement alternatives to restraint and seclusion. <input type="checkbox"/> Ensure that staff are trained in effective, evidence-based methods for developing and maintaining their own level of self-regulation and resilience to enable them to remain calm and able to support struggling students as well as colleagues. <input type="checkbox"/> Plan for the impact of behavior mitigation strategies on public health and safety requirements: <ul style="list-style-type: none"> <li>• Student elopes from area               <ul style="list-style-type: none"> <li>○ If staff need to intervene for student safety, staff should:                   <ul style="list-style-type: none"> <li>● Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention.</li> <li>● Use the least restrictive interventions possible to maintain physical safety for the student and staff.</li> <li>● Wash hands after a close interaction.</li> <li>● Note the interaction on the appropriate contact log.</li> </ul> </li> <li>○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</li> </ul> </li> <li>• Student engages in behavior that requires them to be isolated from peers and results in a room clear.</li> </ul>	<p>We do not have an students with these challenges at this time. If that were to change, we would work to accommodate students appropriately.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>○ If students leave the classroom:               <ul style="list-style-type: none"> <li>● Preplan for a clean and safe alternative space that maintains physical safety for the student and staff</li> <li>● Ensure physical distancing and separation occur, to the maximum extent possible.</li> <li>● Use the least restrictive interventions possible to maintain physical safety for the student and staff.</li> <li>● Wash hands after a close interaction.</li> <li>● Note the interaction on the appropriate contact log.</li> </ul> </li> <li>○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</li> <li>● Student engages in physically aggressive behaviors that preclude the possibility of maintaining physical distance and/or require physical de-escalation or intervention techniques other than restraint or seclusion (e.g., hitting, biting, spitting, kicking, self-injurious behavior).               <ul style="list-style-type: none"> <li>○ If staff need to intervene for student safety, staff should:                   <ul style="list-style-type: none"> <li>● Maintain student dignity throughout and following the incident.</li> <li>● Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention.</li> <li>● Use the least restrictive interventions possible to maintain physical safety for the student and staff</li> <li>● Wash hands after a close interaction.</li> <li>● Note the interaction on the appropriate contact log.</li> </ul> </li> </ul> </li> </ul> <p>*If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</p> <p><input type="checkbox"/> Ensure that spaces that are unexpectedly used to deescalate behaviors are appropriately cleaned and sanitized after use before the introduction of other stable cohorts to that space.</p>	

### 2o. PROTECTIVE PHYSICAL INTERVENTION

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Reusable Personal Protective Equipment (PPE) must be cleaned and disinfected following the manufacturer’s recommendation, after every episode of physical intervention (see section 2j). Cleaning, Disinfection, and Ventilation in the <b>Ready Schools, Safe Learners</b> guidance). Single-use disposable PPE must not be re-used.</p>	

## 3. Response to Outbreak

### 3a. PREVENTION AND PLANNING

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Review the “<a href="#">Planning for COVID-19 Scenarios in Schools</a>” toolkit.</p> <p><input checked="" type="checkbox"/> Coordinate with Local Public Health Authority (LPHA) to establish communication channels related to current transmission level.</p>	<p>Toolkit is reviewed regularly by the COVID-19 Coordinator. Principal and COVID-19 Coordinator have been working with LPHA and have established communication channels.</p>

### 3b. RESPONSE

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Review and utilize the “<a href="#">Planning for COVID-19 Scenarios in Schools</a>” toolkit.</p>	<p>Toolkit is reviewed regularly by the COVID-19 Coordinator.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Ensure continuous services and implement Comprehensive Distance Learning. <input checked="" type="checkbox"/> Continue to provide meals for students.	CDL will be provided as/when needed.  As a private school we do not provide meals to students.

### 3c. RECOVERY AND REENTRY

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Review and utilize the " <a href="#">Planning for COVID-19 Scenarios in Schools</a> " toolkit. <input checked="" type="checkbox"/> Clean, sanitize, and disinfect surfaces (e.g. door handles, sink handles, drinking fountains, transport vehicles) and follow <a href="#">CDC guidance</a> for classrooms, cafeteria settings, restrooms, and playgrounds. <input checked="" type="checkbox"/> When bringing students back into On-Site or Hybrid instruction, consider smaller groups, cohorts, and rotating schedules to allow for a safe return to schools.	Toolkit is reviewed regularly by the COVID-19 Coordinator.  Cleaning and sanitizing happen regularly. Please see above sections.  Students will be cohorted by their class schedule.

## ASSURANCES

*This section must be completed by any public school that is providing instruction through On-Site or Hybrid Instructional Models. Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance. This section does not apply to private schools.*

- We affirm that, in addition to meeting the requirements as outlined above, our school plan has met the collective requirements from ODE/OHA guidance related to the 2020-21 school year, including but not limited to requirements from:
  - Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
  - The [Comprehensive Distance Learning](#) guidance,
  - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
  - [Planning for COVID-19 Scenarios in Schools](#)
  
- We affirm that we cannot meet all of the collective requirements from ODE/OHA guidance related to the 2020-21 school year from:
  - Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
  - The [Comprehensive Distance Learning](#) guidance,
  - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
  - [Planning for COVID-19 Scenarios in Schools](#)

We will continue to work towards meeting them and have noted and addressed which requirement(s) we are unable to meet in the table titled "Assurance Compliance and Timeline" below.

## 4. Equity

## 5. Instruction

## 6. Family, Community, Engagement

## 7. Mental, Social, and Emotional Health

## 8. Staffing and Personnel

### Assurance Compliance and Timeline

If a district/school cannot meet the requirements from the sections above, provide a plan and timeline to meet the requirement.

List Requirement(s) Not Met	Provide a Plan and Timeline to Meet Requirements <i>Include how/why the school is currently unable to meet them</i>
