REQUIRED ESSAY QUESTIONS

CHOOSE 2 of the following essay prompts to answer. Provide an essay response (300 words or less) to each of the 2 topic questions of choice.

ESSAY QUESTIONS

To complete your first essay please select 1 (your choice) from the following prompts. (If you have applied for a scholarship in previous years, please do not submit the same essay.)

1. Share about someone in your life (parent, sibling, relative, teacher, priest/pastor, friend, etc.) who has inspired or influenced you in an important way. How did they impact you and what difference has that made in your life?
2. A key element to the success of Marist Catholic High School is the sense of community, which is integral to its motto 'We Are One'. When reflecting on this community, what does it mean to you to attend Marist? How do you see yourself contributing to, and gaining from, the Marist community?
3. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced challenge, setback, or obstacles. How did it affect you, and what did you learn from the

experience?

4. Leadership is important because it inspires, motivates, and sets an example for others to accomplish positive things. Leadership also manifests itself in many ways. Describe a time or way in which you have demonstrated your leadership ability whether in or out of school.
5. Reflect on something that someone has done for you that made you happy or thankful in a surprising way. How has this gratitude affected or motivated you?
6. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.
7. Some students have a background, identity, or talent that is so meaningful they believe their scholarship application would be incomplete without it. If this sounds like you, please share your story.

Enter the number of the prompt (above) you are responding to.

1

Essay #1, please enter your first essay response here

This is the first of two short essay questions (300 words or less) you will be required to answer. You will want to make a point to choose a question that you feel allows you to best express your thoughts and your ability to write. Take time, before you submit your application, to proofread your essay responses – checking for spelling and punctuation errors. We suggest you write the responses in a word document, proofread them and then paste them into the supplication once you are ready to complete the online application process. This application is your chance to shine with the Scholarship selection committee, who will be reviewing all applications. Good luck and Go Spartans!

ESSAY QUESTION 2

To complete your second essay please select 1 (your choice) from the following prompts. (If you have applied for a scholarship in previous years, please do not submit the same essay)

1. Share about someone in your life (parent, sibling, relative, teacher, priest/pastor, friend, etc.) who has inspired or influenced you in an important way. How did they impact you and what difference has that made in your life?

Essay #2, please enter your second essay response here

This is the second of two short essay questions (300 words or less) you will be required to answer. You will want to make a point to choose a question that you feel allows you to best express your thoughts and your ability to write. Take time, before you submit your application, to proofread your essay responses – checking for spelling and punctuation errors. (OPTIONAL) ESSAY QUESTION 3

Optional: Only required to complete if you wish to be considered for the "Cody Waters 'Heart of a Champion' Memorial Scholarship". (Preference given to individuals with financial need that are participating in Boys Soccer.)

Cody Waters was a student at Marist from September 1995 until his unexpected death in December 1995. He made a lasting impression on both classmates and teachers. In 2014, his parents established this scholarship to honor his memory.

3. Share your personal view of what defines a 'committed team player'. What attributes should they possess? (150 words or less)

This short essay question is optional. If you play soccer you will want to answer this question, as preference is given to individuals who play soccer. Consider answering it even if you don't play soccer as the Scholarship committee has no way of knowing prior to this application process who will be applying and they will be making a selection regardless of whether a soccer player has applied. That means anyone who answers this question can be considered for the scholarship award!

Is there anything else you would like the committee to know about you, your family, or any hardship?

This is your last chance to let the committee know anything else about you or your families' financial situation

I certify that the information in this application is true and complete to the best of my knowledge. Further, I understand that a scholarship may be rescinded if information submitted is inaccurate or has been withheld.
