Essay #1, please enter your first essay response here

This is the first of two short essay questions (300 words or less) you will be required to answer. You will want to make a point to choose a question that you feel allows you to best express your thoughts and your ability to write. Take time, before you submit your application, to proofread your essay responses – checking for spelling and punctuation errors. We suggest you write the responses in a word document, proofread them and then paste them into the supplication once you are ready to complete the online application process. This application is your chance to shine with the Scholarship selection committee, who will be reviewing all applications. Good luck and Go Spartans!

(OPTIONAL) ESSAY QUESTION 3

Optional: Only required to complete if you wish to be considered for the "Cody Waters 'Heart of a Champion' Memorial Scholarship". (Preference given to individuals with financial need that are involved in Boys Soccer.)

Cody Waters was a student at Marist from September 1995 until his unexpected death in December 1995. He made a lasting impression on both classmates and teachers. In 2014, his parents established this scholarship to honor his memory.

3. What is your definition of a committed team player? (150 words or less)

This short essay question is optional. If you play soccer you will want to answer this question, as preference is given to individuals who play soccer. Consider answering it even if you don't play soccer as the Scholarship committee has no way of knowing prior to this application process who will be applying and they will be making a selection regardless of whether a soccer player has applied. That means anyone who answers this question can be considered for the scholarship award!

Is there anything else you would like the committee to know about you, your family, or any hardship?

This is your last chance to let the committee know anything else about you or your families' financial situation

I certify that the information in this application is true and complete to the best of my knowledge. Further, I understand that a scholarship may be rescinded if information submitted is inaccurate or has been withheld.
